Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan	Participation in consultation hours	Self-study	SUM
	Number of study hours	30	0.0	20.0	50

Subject objectives	The purpose of the lecture is to introduce students to the complexity of globalization processes, its manifestations, effects. The picture will be the various dimensions of globalization happening in the economic, social, cultural, political spheres, as well as the history of reflection on globalism. Those issues of globalization that are irreversible, related to the past and future of humanity will be highlighted. Also, the question will be posed as to whether the criticism of globalization is valid or does not have some positive aspects?
