Subject objectives	The purpose of the exercise in the law of evidence is to present the legal norms governing the evidentiary activities that make up the so-called evidentiary proceedings. To present the basic problems related to the introduction and conduct of evidence in pre-trial and court proceedings. To familiarize with the issue of the legality of obtaining evidence and the consequences of introducing evidence obtained illegally into the trial. The object of the exercises is also to discuss evidentiary actions and to identify knotty guarantee problems. Translated with DeepL.com (free version)						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[KRYMMU2_UK02] He/she is prepared for active participation in groups, organizations and institutions connected with the problem of crime and other related phenomena.
