

Subject card

Subject name and code	Sustainable blue economy - lecture, PG_00133216						
Field of study							
Date of commencement of studies	October 2024	Academic year of realisation of subject			2025/2026		
Education level	Bachelor's studies	Subject group			Obligatory subject group in the field of study		
Mode of study	full-time studies	Mode of delivery			at the university		
Year of study	2	Language of instruction			Polish		
Semester of study	4	ECTS credits			2.0		
Learning profile	practical	Assessment form			exam		
Conducting unit	Faculty of Law and Administration -> Rector						
Name and surname of lecturer (lecturers)	Subject supervisor		dr Dominika Wetoszka				
	Teachers		dr hab. Dorota Pyć				
Lesson types	Lesson type	Lecture	Tutorial	Laboratory	Project	Seminar	SUM
	Number of study hours	30.0	0.0	0.0	0.0	0.0	30
	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	30		0.0		20.0	50
Subject objectives	To learn about and gain an in-depth understanding of contemporary maritime issues and challenges of a sustainable blue economy, as well as the importance of law in maritime affairs in relation to the development of the concept of sustainable blue maritime in the world and the European Union. To understand the causes of global and regional maritime problems through the lens of law, governance, protection and preservation of the marine environment and the Earth's climate, and the role of international organisations (e.g. the EU) promoting cooperation for sustainable blue maritime, and administrative bodies from a Polish perspective in practical terms.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	ADMINL3_KO07	K_K01: is ready to critically evaluate his/her knowledge and perceived content from the field of legal sciences, in particular maritime law in relation to the studied specialization.	[SK2] presentation/project/paper/report [SK3] text preparation/written work [SK4] test/exam - oral or written
	ADMINL3_UK06	K_UW02 The student has the ability to analyse legal texts in the field of maritime law; interprets maritime law correctly and understands the meaning of ship documents.
