

Subject card

Subject name and code	Interpreting: General Texts II, PG_00141322						
Field of study	German Studies						
Date of commencement of studies	October 2024	Academic year of realisation of subject			2025/2026		
Education level	Bachelor's studies	Subject group			Obligatory subject group in the field of study Optional subject group Subject group related to scientific research in the field of study		
Mode of study	full-time studies	Mode of delivery			at the university		
Year of study	2	Language of instruction			Polish German - 50% Polish - 50%		
Semester of study	4	ECTS credits			3.0		
Learning profile	academic	Assessment form			credit		
Conducting unit	Division of German Language and Translation Studies -> Institute of German Philology -> Faculty of Languages -> Rector						
Name and surname of lecturer (lecturers)	Subject supervisor		dr Ewa Wojaczek				
	Teachers						
Lesson types	Lesson type	Lecture	Tutorial	Laboratory	Project	Seminar	SUM
	Number of study hours	0.0	30.0	0.0	0.0	0.0	30
	E-learning hours included: 0.0						
	Additional information: text analysis with discussion working in groups implementation of translation tasks						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	30		2.0		43.0	75
Subject objectives	The aim of the class is to develop students' ability to linguistically correct consecutive interpreting of speeches on general topics and to work in a larger group in various roles (e.g., as a speaker, interpreter, etc.) and to deal with possible problems related to unfamiliarity with vocabulary during interpreting, as well as to develop appropriate interpreting methods and habits and to break the barriers of interpreting in a public forum by acting as an interpreter in front of the entire group.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[FGL3_U13] Has the ability to prepare oral presentations in German on specific topics, using basic theoretical concepts as well as a variety of sources.	Can edit speeches of a general nature in German at its extended level for consecutive interpretation into Polish, using appropriate sources.	[SU1] oral statement/conversation/discussion [SU5] implementation of a problem task [SU6] demonstration of practical skills
	[FGL3_K02] Is ready to establish contacts and ask for help when expert knowledge is needed to solve a problem.	He or she is able to quickly establish contact and seek expert assistance when knowledge of a specific field is needed for interpretation.	[SK1] oral statement/conversation/discussion [SK8] observation of student's independent or team work
	[FGL3_W07] Has structured and advanced specific knowledge in the field of the chosen specialisation, i.e. translation theory, didactics and methodology and pedagogical activity or business and economy.	Has an extended detailed knowledge of interpretation theory.	[SW1] oral statement/conversation/discussion [SW5] implementation of a problem task
	[FGL3_U10] Has the ability to substantiate their formulated theses, is able to critically use the views of other authors, formulate conclusions and communicate them to various circles of addressees.	He/she is able to justify his/her version of the interpretation accurately in terms of content and to formulate pertinent conclusions and communicate them to a diverse range of addressees.	[SU1] oral statement/conversation/discussion [SU6] demonstration of practical skills [SU8] observation of student's independent or team work
	[FGL3_W15] Has an advanced knowledge of similarities and differences between the studied German language and the Polish language	Has an extended knowledge of the similarities and differences between the German language studied and the Polish language in terms of general vocabulary.	[SW1] oral statement/conversation/discussion [SW5] implementation of a problem task
	[FGL3_K01] They are aware of their knowledge and skills, and have a critical approach to the received and acquired content.	Possesses knowledge and interpretation skills at an extended level, takes a critical approach to the speech interpretation heard.	[SK1] oral statement/conversation/discussion [SK8] observation of student's independent or team work
	[FGL3_W04] Knows and understands German terminology in their chosen specialisation, i.e.: translation theory, didactics or business and economy.	Knows and understands extended German and Polish terminology in the field of interpretation theory.	[SW1] oral statement/conversation/discussion [SW5] implementation of a problem task
	[FGL3_U18] Can individually plan and implement their own lifelong learning.	Able to undertake continuous and independent further training in the interpretation profession at an extended level.	[SU1] oral statement/conversation/discussion [SU6] demonstration of practical skills [SU8] observation of student's independent or team work
[FGL3_U17] Can appropriately plan and determine priorities for the realization of a task defined by him/herself, together with others or by others; can cooperate with other students in team tasks and projects.	Can adequately plan a speech interpreting project carried out by him/herself or with others, collaborating with other students.	[SU1] oral statement/conversation/discussion [SU5] implementation of a problem task [SU8] observation of student's independent or team work	
Subject contents	In class, students translate consecutively from German into Polish or from Polish into German various types of speeches on general topics, which are independently prepared by them in advance at home using from professional websites or studies to ensure the texts are high linguistic level. In doing so, students practice all the skills necessary or helpful in interpreting. They also participate in discussion on the correctness of the translation, and in case of errors they try to find appropriate linguistic equivalents.		
Prerequisites and co-requisites	knowledge of German and Polish at a level that allows you to achieve the desired results, the ability to grammatically and stylistically correct formulation of sentences in both languages Passing of I block of general interpretation		
Assessment methods and criteria	Subject passing criteria	Passing threshold	Percentage of the final grade
	average of partial grades received during the semester for consecutive interpreting speeches in class	51.0%	100.0%
