Subject objectives	<p>The aim of the course is to familiarise students with the most important developments in German literature in the 19th century in the context of world literature and with a taking into account the historical and cultural context. Students should learn about the processes of the development of literary creativity, major literary currents and most prominent representatives and acquire the ability to interpret selected major works. Furthermore, the teaching of literary history should serve to provide a better understanding of the culture of the German-speaking area and the historical processes taking place there.</p>
