	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	80		0.0		0.0	80
Subject objectives	The internship programme is designed to equip students with the necessary skills and knowledge to successfully transition into the workforce. The programme offers an opportunity for students to familiarise themselves with the demands and expectations of potential future employment, while acquiring practical experience and honing their competencies in key areas such as historical, cultural, social, geographical and legal knowledge. The programme also places emphasis on developing language skills, particularly in relation to the tourism industry, thereby preparing students to communicate effectively in professional settings.
