	Number of study hours	30		2.0		18.0	50
Subject objectives	The aim of the course is to familiarise students with issues of the functioning of mass media in democratic political systems, with a particular focus on the specificities of the Nordic countries. Topics covered will include the role of the media in political communication, the presentation and representation of political and social issues, the influence of the media on the formation of attitudes and opinions, globalisation, 'fake news', the development of new types of media, including social media.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[SKANL3_W10] He knows and understands the contexts and processes related to the geographic, social, historical, economic, and media diversity of the Northern European region, as well as the dilemmas of contemporary civilization.	The student knows and understands the aims, organisation and functioning of the Scandinavian media. The student understands and describes connections between mass media and processes taking place in modern societies (e.g. globalisation, regionalisation, development of electronic media) and identifies opportunities and threats for democracy resulting from these processes. The student recognises the connections and mutual influences between the mass media and the world of politics and economy, as well as the influence of the media on building and maintaining civil society.	[SW4] test/exam - oral or written [SW1] oral statement/ conversation/discussion [SW2] presentation/project/paper/ report
	[SKANL3_K01] He is aware of the level of knowledge attained regarding Northern Europe and its languages, and is also capable of critically evaluating this knowledge.	The student is aware of the degree of acquired knowledge regarding the functioning of the media in the Nordic countries and its connection to the democratic system. The student is cautious in expressing opinions about other cultures.	[SK1] oral statement/conversation/ discussion [SK2] presentation/project/paper/ report [SK4] test/exam - oral or written
	[SKANL3_K03] He undertakes and initiates research activities in the field of culture, media, and societies of the Nordic countries, aimed at social utility with consideration for autonomy in action.	Students independently undertake simple research activities in the field of Nordic culture.	[SK1] oral statement/conversation/ discussion [SK2] presentation/project/paper/ report
	[SKANL3_W08] He knows and understands the methods, tools, and techniques of data acquisition appropriate for political and administrative sciences, allowing for the description of phenomena, structures, and social institutions in the Nordic countries, as well as the processes occurring within and between them.	The student is familiar with methods and tools of obtaining data on relations between mass media and democratic systems. The student understands and describes relations between mass media and processes taking place in contemporary societies (e.g. globalisation, regionalisation, electronic media development) and identifies opportunities and threats for democracy stemming from these processes.	[SW1] oral statement/ conversation/discussion [SW2] presentation/project/paper/ report
	[SKANL3_U09] He has the ability to prepare oral presentations in Polish, one of the Nordic languages, and English, concerning literature, language, culture, media, history, and societies in the Nordic countries, addressing specific issues, using basic theoretical approaches, as well as various sources.	The student discusses in various forms issues related to the functioning of media in democratic systems in Polish, English and - to a basic degree - in Scandinavian languages.	[SU1] oral statement/conversation/ discussion [SU2] presentation/project/paper/ report
	[SKANL3_U03] He is capable of analyzing the causes and course of selected media processes in the Nordic countries.	The student searches for, analyses and evaluates information on the functioning of the media in democratic systems and their relation with the political and economic sphere, especially in the Nordic countries. The student critically evaluates media mechanisms and their impact on the functioning of democracy.	[SU1] oral statement/conversation/ discussion [SU2] presentation/project/paper/ report [SU4] test/exam - oral or written
