<b>Subject objectives</b>	The course aims to introduce the functioning and brand-building of institutions in the context of the relationships they establish, particularly international ones. Emphasis will be placed on: networking of cultural institutions (from local to international), types of decision-making procedures, the origin, structure, and functioning of selected organizations; the role of non-governmental international organizations. The goal is to familiarize students with the tools, methods, and outcomes of activities related to building relationships in the daily work of a cultural manager.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
