Subject objectives	The aim of the course is to introduce the student to the basic issues of public discourse and rhetoric in the context of media communication. An important aim of the course is also to work on the ability to speak up in a debate and to recognize persuasion and various forms of linguistic manipulation. The most important goal of the classes is to practice the art of speaking and perform partial exercises developing rhetorical and polemical skills.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[SKPL3_U03] Is able to independently write texts that meet the requirements of the genre of fiction and critical and artistic texts, maintaining the correctness and stylistic norms indicated by modern linguistics and the forms recognized by literary studies.	Student is able to: create substantive argumentation in polemics and debates using classic and contemporary rhetorical conventions and persuasive forms (K_U08); popularize literature and artistic culture and knowledge about them in various rhetorical forms, appropriate for various media, traditional and modern (K_U10).	[SU1] oral statement/conversation/discussion [SU2] presentation/project/paper/report
	[SKPL3_K05] Is ready to deepen ethical reflection in relation to professional activity - research, artistic or organizational - and in the context of changing cultural and social realities, as well as communication norms determined as part of linguistic research.	Student: knows and understands at an advanced level important linguistic forms of persuasion and rhetorical conventions and their importance for contemporary literary culture and independent participation in cultural life, including the creation of oral and written statements, participation in public debate, organizational activities and entrepreneurship (K_W06).	[SK1] oral statement/conversation/discussion [SK2] presentation/project/paper/report
