|   | Number of study hours  | 15.0   | 0.0                                | 0.0                                 | 0.0  | 0.0        | 15  |
|   | E-learning hours included: 0.0   |  |                                    |                                     |  |            |     |
| Learning activity and number of study hours | Learning activity  | Participation in didactic classes included in study plan |                                    | Participation in consultation hours |  | Self-study | SUM |
|   | Number of study hours  | 15   |                                    | 2.0                                 |  | 8.0        | 25  |
| Subject objectives                          | not applicable   |  |                                    |                                     |  |            |     |
| Learning outcomes                           | Course outcome   | Subject outcome  |                                    |                                     | Method of verification   |            |     |
|   | [BIOLMU2_W01] the graduate knows and understands natural phenomena and processes at different levels of complexity   | not applicable   |                                    |                                     | [SW4] test/exam - oral or written  |            |     |
|   | [BIOLMU2_W04] the graduate has an in-depth knowledge of the chosen specialisation in the biological sciences   | not applicable   |                                    |                                     | [SW4] test/exam - oral or written  |            |     |
|   | [BIOLMU2_U02] the graduate is able to make proficient use of the scientific literature of the biological speciality studied  | not applicable   |                                    |                                     | [SU4] test/exam - oral or written  |            |     |
|   | [BIOLMU2_K02] the graduate is ready to work effectively as a member of a team and to comply with the rules of teamwork and take responsibility for the tasks performed | not applicable   |                                    |                                     | [SK8] observation of student's independent or team work                  |            |     |
|   | [BIOLMU2_K01] the graduate is ready for initiative and independence of action and feels the need for lifelong learning   | not applicable   |                                    |                                     | [SK8] observation of student's independent or team work                  |            |     |
|   | [BIOLMU2_U06] the graduate is able to use the acquired expertise in the biological sciences to interpret the collected empirical data and to make inferences           | not applicable   |                                    |                                     | [SU4] test/exam - oral or written  |            |     |
| Subject contents                            | not applicable   |  |                                    |                                     |  |            |     |

|  |                          |                                  |                               |
