<b>Subject objectives</b>	<p>The primary objective of the course is to introduce students to the specifics of regional prose by familiarizing them with the canon of Pomeranian literary texts and pointing out its borderland and multi-ethnic nature. The course presents the historical and cultural process of creating the concept of the Pomeranian region and Pomeranian identity, while emphasizing certain permanent values resulting from the long duration of ethnic traditions and communities of memory. Developing awareness and new interpretation possibilities resulting from the location of a literary work in new contexts.</p>
