[PRAWOJ5_WG07] The graduate knows methods and tools, including techniques of data and information acquisition, as well as research methods appropriate for the field of study and the related disciplines	Student: - defines and characterizes the principles and concepts associated with the participation of a legal representative in civil matters; - is familiar with the legal regulations in this area; knows the types of representatives in civil matters and the scope of their rights and duties.	[SW1] oral statement/ conversation/discussion [SW3] text preparation/written work

Course outcome	Subject outcome	Method of verification
[PRAWOJ5_WG05] The graduate demonstrates systematic knowledge about the types of legal relations and the governing regularities	Student: - defines and characterizes the principles and concepts associated with the participation of a legal representative in civil matters; - is familiar with the legal regulations in this area; knows the types of representatives in civil matters and the scope of their rights and duties.	[SW1] oral statement/ conversation/discussion [SW2] presentation/project/paper/ report [SW3] text preparation/written work [SW5] implementation of a problem task
[PRAWOJ5_WG02] He/she knows wide terminology and concepts in the scope of law and connected disciplines	Student: - defines and characterizes the principles and concepts associated with the participation of a legal representative in civil matters; - is familiar with the legal regulations in this area; knows the types of representatives in civil matters and the scope of their rights and duties.	[SW1] oral statement/ conversation/discussion [SW2] presentation/project/paper/ report [SW3] text preparation/written work [SW5] implementation of a problem task
[PRAWOJ5_WG01] The graduate demonstrates deepened and systematic knowledge about the character of legal science, its place in the system of sciences and mutual relations.	Student: - defines and characterizes the principles and concepts associated with the participation of a legal representative in civil matters; - is familiar with the legal regulations in this area; knows the types of representatives in civil matters and the scope of their rights and duties.	[SW1] oral statement/ conversation/discussion [SW2] presentation/project/paper/ report [SW3] text preparation/written work [SW5] implementation of a problem task
[PRAWOJ5_UW06] The graduate is able to assess the usefulness of typical procedures and good practice in the implementation of tasks connected with various spheres connected with law and related fields	Student: - can find and appropriately apply regulations concerning legal representatives in civil matters; - analyzes research problems related to the participation of a representative in civil proceedings from a scientific perspective; - applies knowledge of the law, including the interpretation of regulations governing the status of a representative, in procedural activities.	[SU1] oral statement/conversation/ discussion [SU2] presentation/project/paper/ report [SU3] text preparation/written work [SU5] implementation of a problem task [SU6] demonstration of practical skills [SU8] observation of student's independent or team work
[PRAWOJ5_KR07] The graduate is ready to take up professional challenges, takes up efforts and is persistent in the implementation of individual and group activities in the creation, application or interpretation of legal regulations and related sciences	Student: - independently and critically supplements their knowledge of the role of a legal representative in civil matters and enhances the skills needed to apply this knowledge in practice; - is aware of the role of regulations concerning legal representatives in civil matters within the system of guarantees of the right to a court; - understands the legal, ethical, social, and economic consequences of a representative's actions and the legal and deontological responsibility incurred in performing these duties.	[SK1] oral statement/conversation/ discussion [SK2] presentation/project/paper/ report [SK3] text preparation/written work [SK5] implementation of a problem task [SK6] demonstration of practical skills [SK8] observation of student's independent or team work
[PRAWOJ5_UW01] He/she has advanced skills in observation and interpretation of social phenomena, analyzes their connections with various areas, activity of legal science and the related disciplines	Student: - can find and appropriately apply regulations concerning legal representatives in civil matters; - analyzes research problems related to the participation of a representative in civil proceedings from a scientific perspective; - applies knowledge of the law, including the interpretation of regulations governing the status of a representative, in procedural activities.	[SU1] oral statement/conversation/ discussion [SU2] presentation/project/paper/ report [SU3] text preparation/written work [SU6] demonstration of practical skills [SU8] observation of student's independent or team work

Course outcome	Subject outcome	Method of verification
[PRAWOJ5_WK13] He/she has advanced knowledge of the functioning of professional self-governments in legal professions, is familiar with the principles of judges' and prosecutors' professions, and has knowledge of the organization of the judiciary in Poland.	Student: - defines and characterizes the principles and concepts associated with the participation of a legal representative in civil matters; - is familiar with the legal regulations in this area; knows the types of representatives in civil matters and the scope of their rights and duties.	[SW1] oral statement/ conversation/discussion [SW2] presentation/project/paper/ report [SW3] text preparation/written work [SW5] implementation of a problem task
[PRAWOJ5_WK12] He/she has knowledge of occupational health and safety in public administration institutions	Student: - defines and characterizes the principles and concepts associated with the participation of a legal representative in civil matters; - is familiar with the legal regulations in this area; knows the types of representatives in civil matters and the scope of their rights and duties.	[SW1] oral statement/ conversation/discussion [SW2] presentation/project/paper/ report [SW3] text preparation/written work [SW5] implementation of a problem task
[PRAWOJ5_UU12] He/she acquires knowledge efficiently and develops his/her professional skills using various sources (in native and foreign language) and modern technologies	Student: - can find and appropriately apply regulations concerning legal representatives in civil matters; - analyzes research problems related to the participation of a representative in civil proceedings from a scientific perspective; - applies knowledge of the law, including the interpretation of regulations governing the status of a representative, in procedural activities.	[SU1] oral statement/conversation/ discussion [SU2] presentation/project/paper/ report [SU5] implementation of a problem task [SU6] demonstration of practical skills [SU8] observation of student's independent or team work
[PRAWOJ5_UO11] He/she can work well in a team and can coordinate the team's work when solving legal problems, interpreting legal acts, and preparing written or oral opinions on a matter.	Student: - can find and appropriately apply regulations concerning legal representatives in civil matters; - analyzes research problems related to the participation of a representative in civil proceedings from a scientific perspective; - applies knowledge of the law, including the interpretation of regulations governing the status of a representative, in procedural activities.	[SU1] oral statement/conversation/ discussion [SU2] presentation/project/paper/ report [SU3] text preparation/written work [SU5] implementation of a problem task [SU6] demonstration of practical skills [SU8] observation of student's independent or team work
[PRAWOJ5_KO04] The graduate is ready to prepare own projects connected with the creation, application and interpretation of legal regulations, including projects co-financed by the European Union's funds	Student: - independently and critically supplements their knowledge of the role of a legal representative in civil matters and enhances the skills needed to apply this knowledge in practice; - is aware of the role of regulations concerning legal representatives in civil matters within the system of guarantees of the right to a court; - understands the legal, ethical, social, and economic consequences of a representative's actions and the legal and deontological responsibility incurred in performing these duties.	[SK1] oral statement/conversation/ discussion [SK2] presentation/project/paper/ report [SK3] text preparation/written work [SK5] implementation of a problem task [SK6] demonstration of practical skills [SK7] entries and opinions in the internship diary [SK8] observation of student's independent or team work
[PRAWOJ5_UK08] The graduate has wide skills to prepare written works connected with the work of a lawyer in Polish and foreign language	Student: - can find and appropriately apply regulations concerning legal representatives in civil matters; - analyzes research problems related to the participation of a representative in civil proceedings from a scientific perspective; - applies knowledge of the law, including the interpretation of regulations governing the status of a representative, in procedural activities.	[SU1] oral statement/conversation/ discussion [SU2] presentation/project/paper/ report [SU3] text preparation/written work [SU5] implementation of a problem task [SU6] demonstration of practical skills [SU8] observation of student's independent or team work

	Course outcome	Subject outcome	Method of verification
	[PRAWOJ5_WG08] He/she has deepened knowledge of sources of Polish law, its changes and processes of law formation	Student: - defines and characterizes the principles and concepts associated with the participation of a legal representative in civil matters; - is familiar with the legal regulations in this area; knows the types of representatives in civil matters and the scope of their rights and duties.	[SW2] presentation/project/paper/report [SU3] text preparation/written work [SW5] implementation of a problem task
	[PRAWOJ5_UW02] The graduate utilizes theoretical knowledge in legal science and the connected academic disciplines to analyze and interpret complex legal issues	Student: - can find and appropriately apply regulations concerning legal representatives in civil matters; - analyzes research problems related to the participation of a representative in civil proceedings from a scientific perspective; - applies knowledge of the law, including the interpretation of regulations governing the status of a representative, in procedural activities.	[SU1] oral statement/conversation/discussion [SU2] presentation/project/paper/report [SU3] text preparation/written work [SU5] implementation of a problem task [SU6] demonstration of practical skills [SU8] observation of student's independent or team work
	[PRAWOJ5_WK10] He/she understands and knows the basic concepts and principles of industrial property protection and copyright law, as well as understands the need for proper protection of intellectual property and managing its resources	Student: - defines and characterizes the principles and concepts associated with the participation of a legal representative in civil matters; - is familiar with the legal regulations in this area; knows the types of representatives in civil matters and the scope of their rights and duties.	[SW1] oral statement/conversation/discussion [SW2] presentation/project/paper/report [SW3] text preparation/written work [SW5] implementation of a problem task
	[PRAWOJ5_WG06] He/she has systematic knowledge about the man as the subject establishing social structures and principles of their operation and about the man as the individual operating in these structures	Student: - defines and characterizes the principles and concepts associated with the participation of a legal representative in civil matters; - is familiar with the legal regulations in this area; knows the types of representatives in civil matters and the scope of their rights and duties.	[SW1] oral statement/conversation/discussion [SW2] presentation/project/paper/report [SW3] text preparation/written work [SW5] implementation of a problem task
Subject contents	<p>1. Representation in civil matters. - Statutory representation. - Power of attorney as a form of representation. Power of attorney in civil matters.2. Procedural power of attorney as an institution of civil procedural law. The essence of the power of attorney granted in civil proceedings. - How the power of attorney relationship is established in civil proceedings. Recipient of the power of attorney declaration.3.
