

Subject card

Subject name and code	Changes in contemporary political systems, PG_00147582						
Field of study	Political Studies						
Date of commencement of studies	October 2024	Academic year of realisation of subject			2024/2025		
Education level	postgraduate studies	Subject group			Obligatory subject group in the field of study Humanistic-social subject group		
Mode of study	full-time studies	Mode of delivery			at the university		
Year of study	1	Language of instruction			Polish		
Semester of study	1	ECTS credits			3.0		
Learning profile	academic	Assessment form					
Conducting unit							
Name and surname of lecturer (lecturers)	Subject supervisor		prof. dr hab. Danuta Plecka				
	Teachers		prof. dr hab. Danuta Plecka				
Lesson types	Lesson type	Lecture	Tutorial	Laboratory	Project	Seminar	SUM
	Number of study hours	30.0	0.0	0.0	0.0	0.0	30
	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	30		0.0		45.0	75
Subject objectives	The aim of education is to provide knowledge about transformations in contemporary political systems. Presentation to students directions of changes, their causes, course and consequences. Indication of the role of consolidation of the political system as an instrument of its durability in dynamically transforming modernity.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[POLMU2_W11] Has knowledge of the functioning mechanisms of the contemporary political systems.	has advanced knowledge of the principles of operation of systems political in the modern world, - has extended knowledge of the political organization of societies and processes changes and relationships and bonds at the local, regional and global level, - knows what are the directions of changes taking place in modern systems political	[SW3] text preparation/written work
	[POLMU2_W07] Knows the mechanisms of political participation.	has advanced knowledge of the principles of operation of systems political in the modern world, - has extended knowledge of the political organization of societies and processes changes and relationships and bonds at the local, regional and global level, - knows what are the directions of changes taking place in modern systems political	[SW1] oral statement/conversation/discussion
	[POLMU2_U09] Is able to indicate the conditions for the evolution of political systems by properly selecting sources, critically assessing, analysing and synthesising them, creatively interpreting and transferring the acquired knowledge, using advanced information and communication techniques.	is able to analyze and explain political processes and phenomena using knowledge theoretical, - is aware of the relationships between state systems and phenomena taking place in the political space, and also has the ability to assess them, - distinguishing the specificity of different political systems	[SU5] implementation of a problem task
	[POLMU2_K03] Is prepared to function in an information society, can collect, use, and process information in the public sphere.	is prepared to work in public organizations and institutions, incl public administration bodies, political parties and other organizations national and international, - articulates the need for lifelong learning	[SK1] oral statement/conversation/discussion
	[POLMU2_W06] Has knowledge of the threats and challenges facing politics, including the principles of creating and developing forms of individual entrepreneurship.	has advanced knowledge of the principles of operation of systems political in the modern world, - has extended knowledge of the political organization of societies and processes changes and relationships and bonds at the local, regional and global level, - knows what are the directions of changes taking place in modern systems political	[SW1] oral statement/conversation/discussion
	[POLMU2_K07] Is able to independently and critically supplement knowledge and skills extended by an interdisciplinary dimension.	is prepared to work in public organizations and institutions, incl public administration bodies, political parties and other organizations national and international, - articulates the need for lifelong learning	[SK1] oral statement/conversation/discussion
	[POLMU2_U02] Has the ability to analyze the mechanisms of political power.	is able to analyze and explain political processes and phenomena using knowledge theoretical, - is aware of the relationships between state systems and phenomena taking place in the political space, and also has the ability to assess them, - distinguishing the specificity of different political systems	[SU5] implementation of a problem task
	[POLMU2_W04] Knows the mechanisms of the functioning of political power.	has advanced knowledge of the principles of operation of systems political in the modern world, - has extended knowledge of the political organization of societies and processes changes and relationships and bonds at the local, regional and global level, - knows what are the directions of changes taking place in modern systems political	[SW1] oral statement/conversation/discussion
