<b>Subject objectives</b>	The objective of the course "Security Strategy" is to equip students with advanced knowledge and skills necessary for analyzing, developing, and implementing security strategies at various organizational levels. Students will be introduced to the theoretical foundations of security strategy, including threat analysis, risk assessment, and crisis management. The course also covers the study of global and local security trends, the role of international institutions, and the impact of politics.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[BNL3_W02] Has in-depth knowledge about the state, power, politics and public administration. Knows the historical, social, economic, legal, ethical and cultural determinants of security activities.	He possesses advanced knowledge about the state, authority, politics, and public administration.	[SW4] test/exam - oral or written
	[BNL3_U01] Has research skills in determining the basic political, social, economic, legal and cultural structures in the modern world. Identifies and interprets change processes in the area of security effects.	He possesses research skills in identifying the fundamental political, social, economic, legal, and cultural structures in the contemporary world. He identifies and interprets the processes of change in the area of security policy development.	[SU1] oral statement/conversation/discussion
	[BNL3_W04] Has knowledge of the functioning of internal and international security institutions and is able to define the relationships between them. Defines the fundamental dilemmas of modern civilization.	He has knowledge about the functioning of internal and international security institutions and can define the relationships between them.	[SW4] test/exam - oral or written
	[BNL3_W03] Has knowledge of the essence and specificity of security science and its place in the structure of social sciences.	He possesses knowledge about the nature and specifics of security science and its place within the structure of social sciences.	[SW4] test/exam - oral or written
	[BNL3_K05] Has the ability to prioritise goals and methods of action, thinking and acting in an entrepreneurial manner.	He possesses the ability to prioritize goals and methods of action within the framework of security strategies.	[SK1] oral statement/conversation/discussion
	[BNL3_W05] Knows the conditions and forms of citizens' participation in social life at its various levels. Defines phenomena that significantly determine safety activities. Has knowledge of the origin and evolution of norms organizing social structures and institutions relevant to security, including legal and ethical issues in the field of intellectual property and copyright protection.	He understands the conditions and forms of citizen participation in social life at various levels as reflected in local security strategies.	[SW1] oral statement/conversation/discussion
	[BNL3_K03] Has a need to continue to complete his/her knowledge as well as expand and improve skills.	He has a need for continuously expanding his knowledge and improving his skills while maintaining a critical perspective.	[SK1] oral statement/conversation/discussion
	[BNL3_W09] Has a basic knowledge of the essence, dynamics and specificity of security threats in various spheres of social life.	He has basic knowledge about the nature, dynamics, and specifics of security threats as reflected in various strategies.	[SW1] oral statement/conversation/discussion
	[BNL3_U07] Actively participates in socio-political life and attempts to participate in public discourse. Manages the self-education process, develops his work skills and new cognitive skills. Plans and organizes the work of oneself and the team, preparing social, political, economic and civic projects (including those involving cooperation with other people), using various sources and technological possibilities.	He actively participates in socio-political life and engages in public discourse on security policy.	[SU4] test/exam - oral or written
	[BNL3_W11] Has a basic knowledge about security strategies at the provincial and national levels.	He has basic knowledge of security strategies at both the regional (provincial) and national levels.	[SW4] test/exam - oral or written
	[BNL3_W01] Has advanced knowledge of the social, historical, economic and cultural determinants of security. Knows the practical application of this knowledge in professional activities in the field of security.	He has advanced knowledge of the social, historical, economic, and cultural conditions influencing the creation of security strategies.	[SW1] oral statement/conversation/discussion

	Course outcome	Subject outcome	Method of verification
	[BNL3_K04] Is prepared to be active in the labour market and is aware of the need to improve qualifications for responsible performance of professional roles.	He is prepared for the job market and is aware of the necessity of continuously improving his qualifications.	[SK1] oral statement/conversation/discussion
	[BNL3_U13] Assesses the risk and possible consequences of measures taken in the area of security.	He assesses the risk and potential consequences involved in the implementation of various security strategies.	[SU4] test/exam - oral or written
	[BNL3_U12] Is able to analyse and evaluate the political decision-making process in the context of security activities.	He is capable of analyzing and evaluating the political decision-making process in the context of creating security policy	[SU4] test/exam - oral or written
	[BNL3_U04] Uses the knowledge of normative systems related to public safety to adequately respond to the existing challenges. Presents and evaluates opinions on systematic solutions in the field of security.	He utilizes knowledge of normative systems related to public security to respond appropriately to emerging challenges	[SU4] test/exam - oral or written
	[BNL3_W10] Has knowledge of the activities of public institutions working to promote security.	He has knowledge about activities of public institutions functioning in the area of security strategy."	[SW1] oral statement/conversation/discussion
	[BNL3_U06] Is able to analyse the causes and effects of security threats and indicates countermeasures. Plans own and team's work in the field of threat analysis and risk assessment.	He is capable of analyzing the causes and effects of security threats as reflected in various strategies.	[SU1] oral statement/conversation/discussion
	[BNL3_W14] Knows and understands the principles of creating and developing various forms of entrepreneurship, including individual, local and social entrepreneurship using knowledge in the fields of science and scientific disciplines relevant to the field of study.	He knows and understands the principles of creating and developing various forms of entrepreneurship, including individual, local, and social entrepreneurship, within the framework of achieving specific strategic goals.	[SW4] test/exam - oral or written [SW1] oral statement/conversation/discussion
	[BNL3_W07] Has knowledge about the processes and factors shaping them in the structures and institutions of public security.	He possesses knowledge about the processes and factors shaping the structures and institutions of public security as reflected in the security strategy	[SW4] test/exam - oral or written
