<b>Subject objectives</b>	The goal of the course "Sociology of Law in Democracy" is to provide students with a comprehensive understanding of the interplay between legal systems and democratic societies. Students will explore how laws shape and are shaped by social structures, behaviors, and institutions. The course aims to develop critical thinking skills, enabling students to analyze the role of law in protecting rights, promoting justice, and addressing social inequalities.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
