	Number of study hours	0.0	30.0	0.0	0.0	0.0	30
	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	30		2.0		18.0	50
Subject objectives	Familiarizing students with the anthropology of modern times - with the subject of its research, with the specific perspective from which it approaches modern and post-modern societies, with the conceptual equipment, with the theoretical concepts it uses, and with its extraordinary history - is the first goal of our classes. The second is an attempt to take on the role of a contemporary anthropologist - to awaken and put into practice the anthropological imagination that lies dormant in us.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[SOCL3_K02] The graduate is ready to cooperate effectively and assume various roles in a group	Is ready for effective cooperation and cooperation in a group, assuming roles resulting from the acquired experience.	[SK2] presentation/project/paper/report
	[SOCL3_K03] The graduate is ready to appropriately determine priorities in the implementation of a specific task	Is ready to properly define priorities when carrying out tasks with an anthropological and social background.	[SK2] presentation/project/paper/report
