

Subject card

Subject name and code	Innovative spatial economy - a look into the future, PG_00149784						
Field of study	Spatial Management						
Date of commencement of studies	October 2024	Academic year of realisation of subject			2024/2025		
Education level	Master's studies	Subject group			Obligatory subject group in the field of study Humanistic-social subject group		
Mode of study	full-time studies	Mode of delivery			at the university		
Year of study	1	Language of instruction			Polish		
Semester of study	2	ECTS credits			1.0		
Learning profile	academic	Assessment form			credit		
Conducting unit	Institute of Socio-Economic Geography and Spatial Management -> Faculty of Social Sciences -> Rector						
Name and surname of lecturer (lecturers)	Subject supervisor		dr Grażyna Chaberek-Kałużniak				
	Teachers		dr Grażyna Chaberek-Kałużniak				
Lesson types	Lesson type	Lecture	Tutorial	Laboratory	Project	Seminar	SUM
	Number of study hours	20.0	0.0	0.0	0.0	0.0	20
	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	20		5.0		10.0	35
Subject objectives	To provide the student with the opportunity to discuss with practitioners in the field of land use, to become familiar with innovative solutions to planning and land use problems currently in practice, to become familiar with the latest output of practitioners and researchers in the field of planning and land use.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[GPMU2_W07] basic principles for creating and developing forms of individual entrepreneurship that make use of knowledge in the field of spatial management and corporate social responsibility, with particular emphasis on responsibility for environmental impact	recognises the characteristics of different forms of economic activity and the characteristics of work in institutions related to planning and spatial development	[SW1] oral statement/ conversation/discussion [SW2] presentation/project/paper/ report
