

Subject card

Subject name and code	Competitiveness of location, PG_00150406						
Field of study	Spatial Management						
Date of commencement of studies	October 2024	Academic year of realisation of subject			2024/2025		
Education level	Master's studies	Subject group			Obligatory subject group in the field of study Humanistic-social subject group		
Mode of study	full-time studies	Mode of delivery			at the university		
Year of study	1	Language of instruction			Polish		
Semester of study	1	ECTS credits			2.0		
Learning profile	academic	Assessment form			credit		
Conducting unit	Division of Regional Development -> Institute of Socio-Economic Geography and Spatial Management -> Faculty of Social Sciences -> Rector						
Name and surname of lecturer (lecturers)	Subject supervisor		dr Maciej Tarkowski				
	Teachers		dr Maciej Tarkowski dr hab. Aleksandr Radchenko				
Lesson types	Lesson type	Lecture	Tutorial	Laboratory	Project	Seminar	SUM
	Number of study hours	15.0	15.0	0.0	0.0	0.0	30
	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	30		5.0		25.0	60
Subject objectives	Explanation of the origins and essence of the concept of competitiveness; Explanation of the formation of competitive advantages based on local and regional development conditions and factors; Identification of methods and tools for strengthening competitive advantages on a local and regional scale						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[GPMU2_W03] to a deeper extent the conditions (natural, social, economic, cultural, legal) of processes taking place in spatial management, with particular emphasis on the specifics of Polish maritime areas and voivodships of northern Poland	explains in greater depth the role of conditions (natural, social economic, cultural, legal) in determining the competitiveness of a location and understands the interaction between competitiveness and spatial development	[SW4] test/exam - oral or written [SW2] presentation/project/paper/report [SW3] text preparation/written work
