|                   | [PRAWOJ5_KK01] The graduate is deeply aware of the level of his/her knowledge and skills, and also understands the need of lifelong learning                                                                                                                                                                                                                           | This effect is achieved in this lecture only in a very general sense                         | [SK8] observation of student's independent or team work |
|                   | [PRAWOJ5_UW07] He/she has the skills in understanding and analyzing social phenomena and utilizing this analysis in his/her professional work.                                                                                                                                                                                                                         | This effect is not directly realized in this lecture, it was assigned here without any basis | [SU8] observation of student's independent or team work |
|                   | [PRAWOJ5_UW03] The graduate demonstrates deepened skills of using complex theoretical points of view to analyze, interpret and plan strategies of legal activities; solves concrete problems connected with the creation, application and interpretation of legal regulations, anticipates the course of their solution and predicts the effects of planned activities | This effect is not directly realized in this lecture, it was assigned here without any basis | [SU8] observation of student's independent or team work |
|                   | [PRAWOJ5_UW02] The graduate utilizes theoretical knowledge in legal science and the connected academic disciplines to analyze and interpret complex legal issues                                                                                                                                                                                                       | This effect is not directly realized in this lecture, it was assigned here without any basis | [SU8] observation of student's independent or team work |
|                   | [PRAWOJ5_UW01] He/she has advanced skills in observation and interpretation of social phenomena, analyzes their connections with various areas, activity of legal science and the related disciplines                                                                                                                                                                  | This effect is not directly realized in this lecture, it was assigned here without any basis | [SU8] observation of student's independent or team work |
|                   | [PRAWOJ5_UU12] He/she acquires knowledge efficiently and develops his/her professional skills using various sources (in native and foreign language) and modern technologies                                                                                                                                                                                           | This effect is not directly realized in this lecture, it was assigned here without any basis | [SU8] observation of student's independent or team work |
|                   | [PRAWOJ5_UO11] He/she can work well in a team and can coordinate the team's work when solving legal problems, interpreting legal acts, and preparing written or oral opinions on a matter.                                                                                                                                                                             | This effect is not directly realized in this lecture, it was assigned here without any basis | [SU8] observation of student's independent or team work |
|                   | [PRAWOJ5_UK09] He/she demonstrates wide skills in preparing speeches in the field of law in Polish and foreign language                                                                                                                                                                                                                                                | This effect is not directly realized in this lecture, it was assigned here without any basis | [SU8] observation of student's independent or team work |
|                   | [PRAWOJ5_WK13] He/she has advanced knowledge of the functioning of professional self-governments in legal professions, is familiar with the principles of judges' and prosecutors' professions, and has knowledge of the organization of the judiciary in Poland.                                                                                                      | This effect is not directly realized in this lecture, it was assigned here without any basis | [SW1] oral statement/ conversation/discussion           |
|                   | [PRAWOJ5_WK12] He/she has knowledge of occupational health and safety in public administration institutions                                                                                                                                                                                                                                                            | This effect is not directly realized in this lecture, it was assigned here without any basis | [SW1] oral statement/ conversation/discussion           |
|                   | [PRAWOJ5_WK11] The graduate has deepened knowledge of the principles of creating and developing basic forms of individual entrepreneurship.                                                                                                                                                                                                                            | This effect is not directly realized in this lecture, it was assigned here without any basis | [SW1] oral statement/ conversation/discussion           |
|                   | [PRAWOJ5_WK10] He/she understands and knows the basic concepts and principles of industrial property protection and copyright law, as well as understands the need for proper protection of intellectual property and managing its resources                                                                                                                           | This effect is not directly realized in this lecture, it was assigned here without any basis | [SW1] oral statement/ conversation/discussion           |

|  | Course outcome                                                                                                                                                                                                                                                | Subject outcome                                                                              | Method of verification                                  |
|--|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|---------------------------------------------------------|
|  | [PRAWOJ5_WG09] He/she demonstrates deepened and systematic knowledge about the processes of changes of political systems and of individual authorities, as well as the consequences of these changes                                                          | This effect is not directly realized in this lecture, it was assigned here without any basis | [SW1] oral statement/ conversation/discussion           |
|  | [PRAWOJ5_WG07] The graduate knows methods and tools, including techniques of data and information acquisition, as well as research methods appropriate for the field of study and the related disciplines                                                     | This effect is not directly realized in this lecture, it was assigned here without any basis | [SW1] oral statement/ conversation/discussion           |
|  | [PRAWOJ5_WG06] He/she has systematic knowledge about the man as the subject establishing social structures and principles of their operation and about the man as the individual operating in these structures                                                | This effect is not directly realized in this lecture, it was assigned here without any basis | [SW1] oral statement/ conversation/discussion           |
|  | [PRAWOJ5_WG03] He/she demonstrates deepened knowledge about the political system in Poland, about individual authorities with particular consideration of legislative authority and the judiciary,                                                            | This effect is achieved in this lecture only in a very general sense                         | [SW1] oral statement/ conversation/discussion           |
|  | [PRAWOJ5_WG05] The graduate demonstrates systematic knowledge about the types of legal relations and the governing regularities                                                                                                                               | his effect is achieved in this lecture only in a very general sense                          | [SW1] oral statement/ conversation/discussion           |
|  | [PRAWOJ5_KK02] He/she is aware of the necessity to widen professional competences and qualifications, to improve skills, is able to indicate the direction of own development and education independently in widened and deepened way                         | This effect is achieved in this lecture only in a very general sense                         | [SK8] observation of student's independent or team work |
|  | [PRAWOJ5_KO03] He/she is prepared for active participation in groups, organizations and institutions connected with law, is also able to communicate with specialists and non-specialists in the field of law                                                 | This effect is achieved in this lecture only in a very general sense                         | [SK8] observation of student's independent or team work |
|  | [PRAWOJ5_KR05] He/she prepares responsibly to his/her work; can determine priorities in work and plan work appropriately                                                                                                                                      | This effect is achieved in this lecture only in a very general sense                         | [SK8] observation of student's independent or team work |
|  | [PRAWOJ5_KR07] The graduate is ready to take up professional challenges, takes up efforts and is persistent in the implementation of individual and group activities in the creation, application or interpretation of legal regulations and related sciences | This effect is achieved in this lecture only in a very general sense                         | [SK8] observation of student's independent or team work |
|  | [PRAWOJ5_KR06] He/she behaves in ethical and professional way, follows the principles of ethics                                                                                                                                                               | This effect is achieved in this lecture only in a very general sense                         | [SK8] observation of student's independent or team work |
|  | [PRAWOJ5_WG01] The graduate demonstrates deepened and systematic knowledge about the character of legal science, its place in the system of sciences and mutual relations.                                                                                    | This effect is not directly realized in this lecture, it was assigned here without any basis | [SW1] oral statement/ conversation/discussion           |
|  | [PRAWOJ5_WG02] He/she knows wide terminology and concepts in the scope of law and connected disciplines                                                                                                                                                       | He/she knows the terminology related to drafting the texts of legal acts.                    | [SW4] test/exam - oral or written                       |

|                                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                                                                                                                                                                                                     |                                   |
