|                   | [FiRL3_U08] The student can prepare typical written works, as well as oral speeches and presentations in Polish, on specific issues in the field of finance and accounting, using advanced theoretical approaches and various sources of information.                                                                                            | The student has the ability to prepare a written work using theoretical and practical elements in the field of corporate finance.                                                             | [SU3] text preparation/written work                                                 |
|                   | [FiRL3_W06] The student has advanced knowledge of methods and tools, including data acquisition and analysis techniques, appropriate to management science and quality, which allow describing economic structures and institutions and the processes within and between them.                                                                   | The student knows advanced methods and tools, including techniques of data acquisition and analysis, in the field of issues discussed in the bachelor's thesis, concerning corporate finance. | [SW1] oral statement/conversation/discussion<br>[SW3] text preparation/written work |
|                   | [FiRL3_K05] Responsibility:<br>- meets deadlines<br>- is able to properly identify priorities for the implementation of the task set by him<br>- consistently strives to achieve the set goal<br>- is able to work systematically and independently - observes the rules and norms of social coexistence.                                        | The student meets the agreed deadlines for submitting part of the thesis, is able to determine priorities when preparing a bachelor's thesis. He can work systematically and independently.   | [SK3] text preparation/written work                                                 |
|                   | [FiRL3_K03] Communication:<br>- is able to present his view, issue in a way that others can understand - boldly (but thoughtfully) expresses his opinion, is not afraid to ask questions - is able to culturally participate in discussions<br>- is able to give constructive criticism.                                                         | The student is able to present his/her views in an understandable way, asks questions and joins discussions on the issues of the bachelor's thesis being prepared.                            | [SK1] oral statement/conversation/discussion                                        |
|                   | [FiRL3_K04] Integrity:<br>- abides by business ethics<br>- respects the law<br>- is objective, is able to recognize conflicts of interest<br>- correctly identifies and resolves dilemmas related to the practice of the profession.                                                                                                             | The student knows and applies the principles of ethics, identifies and resolves the ethical dilemmas encountered.                                                                             | [SK1] oral statement/conversation/discussion<br>[SK3] text preparation/written work |
|                   | [FiRL3_U03] The student can properly analyse the causes, course and effects of specific processes and phenomena in finance and accounting, using advanced theories and relevant social sciences methods. Can identify stakeholders of processes and phenomena from the disciplines of management and quality sciences and economics and finance. | The student is able to analyze the causes, course and effects of processes in the field of corporate finance in an in-depth way using advanced theories and methods.                          | [SU1] oral statement/conversation/discussion<br>[SU3] text preparation/written work |
|                   | [FiRL3_K01] Self-development:<br>- understands the need for development and lifelong learning<br>- is able to supplement and improve the acquired knowledge and skills<br>- knows his strengths and weaknesses, sets ambitious goals to the best of his ability<br>- knows how to accept failure and admit mistakes.                             | The student understands the need for improvement and lifelong learning, knows his or her strengths and weaknesses, and is able to admit a mistake when writing a bachelor's thesis.           | [SK1] oral statement/conversation/discussion<br>[SK3] text preparation/written work |
|                   | [FiRL3_U02] The student can acquire data from various sources to analyze specific economic processes and phenomena related to finance. Is able to use information technologies.                                                                                                                                                                  | The student is able to obtain data from various sources, analyze processes and phenomena on financial markets. Can use technology to acquire data.                                            | [SU3] text preparation/written work                                                 |
| Subject contents  | The curriculum content depends on the interests of the seminar group and covers broadly understood issues of corporate finance and financial analysis, as well as the methodology of writing a scientific paper and the spectrum of the most commonly used research methods in economic sciences.                                                |                                                                                                                                                                                               |                                                                                     |
