Subject objectives	The basic aim of the course is to familiarize students with the functioning of state bodies in the Republic of Poland - their position and competences, as well as to analyze the relations between these state bodies.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[ADMINL3_KR03] The student is ready to responsibly perform the profession in public administration, including positions that require obtaining a bachelor's degree, as well as in other entities in roles related to administration.	The student is prepared to perform duties in public administration responsibly, understands the importance of constitutional principles in the functioning of state institutions, and adheres to the standards of professional ethics and public service accountability.	[SK8] obserwacja samodzielnej lub zespołowej pracy studenta
	[ADMINL3_UW01] Using his own knowledge and sources of information, including the ability to use modern digital techniques and professional methods of acquiring information, the student is able to analyze and resolve problems, as well as interpret legal, social, and political phenomena in the field of administration and selected areas of social and economic life.	The student is able, using appropriate sources of knowledge and modern digital tools, to analyse and interpret legal, social, and political phenomena related to the functioning of constitutional organs and public administration.	[SU8] obserwacja samodzielnej lub zespołowej pracy studenta
	[ADMINL3_WG03] At an advanced level, the student is able to characterize the system of public authority (national, local, and EU-level), the structure of administration, the process of appointing bodies, their competencies, and the domains in which they operate, as well as the legal and organizational conditions of administrative functioning.	The student has an advanced understanding of the constitutional foundations of public administration, knows the appointment procedures and competences of governmental and local administrative bodies, and understands the legal and organizational conditions of their functioning.	[SW4] test/egzamin - ustny lub pisemny
	[ADMINL3_WG02] At an advanced level, the student is able to characterize the system of public authority (national, local, and EU-level), as well as the structure of administration and the relationships between various bodies and institutions. He can also describe the process of their appointment, their competencies, and the domains in which they operate.	The student can comprehensively characterize the organization of public authority in Poland, knows the structure, competences, and interrelations between the legislative, executive, and judicial branches, and understands their role within the democratic system.	[SW4] test/egzamin - ustny lub pisemny
	[ADMINL3_WG01] At an advanced level, the student is able to define the sciences of law, administration, and politics, as well as knows the concepts and terminology appropriate to them.	The student has an advanced knowledge of the fundamental concepts and terminology of constitutional law, public administration, and political science, can define them accurately, and apply them appropriately in the analysis of state and institutional structures.	[SW4] test/egzamin - ustny lub pisemny
