	Number of study hours	15		0.0		10.0	25
Subject objectives	The aim of the course is to systematize and expand students' knowledge regarding the application of Community rules for granting state aid. During the course of classes, students will have the opportunity to become familiar with the regulations regarding the conditions for granting support from public funds and acquire the ability to conduct analysis of public aid. The classes will also discuss individual types of public aid along with their practical examples in business activities.
