Subject objectives	The aim of the lecture is to provide a comprehensive overview of the specifics of EU and Polish customs and foreign exchange law. Students will be introduced to the evolution of customs and foreign exchange law, their theory, and the applicable legal regulations in this area. Where appropriate, examples of practical aspects of the application of customs and foreign exchange law will be presented.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[PiDPL3_WK05] The graduate has basic knowledge of economic, legal, ethical and other conditions of various types of professional activity related to the application and compliance with tax law and accounting	The student is aware of the important role played by economic and legal knowledge, including customs and foreign exchange, in the proper functioning of administration. They know where to look for answers to problems involving economic, customs, and foreign exchange issues. They know the limits of their knowledge and understand when they should seek the support of experts.	[SW4] test/egzamin - ustny lub pisemny
	[PiDPL3_WG02] has organized and theoretically substantiated advanced knowledge, covering issues in the fields of various branches of substantive and formal law related to public levies, as well as in the field of accounting	The student has structured, extensive knowledge of the functioning of legal institutions, including customs and foreign exchange law. This knowledge contributes to and complements their competence in the field of tax consulting.	[SW4] test/egzamin - ustny lub pisemny
	[PiDPL3_WG01] has elementary knowledge of the basics of jurisprudence, public finance, and private law	The student has knowledge of financial law, including the nature and place of customs revenues and foreign exchange formalities in the financial system. They know and understand not only civil law activities that have customs and foreign exchange implications, but also basic legal concepts, including those related to customs and foreign exchange law.	[SW4] test/egzamin - ustny lub pisemny
