Subject objectives	The main goal of the course is for the student to acquire advanced knowledge of the most current problems of contemporary justice. The complementary objective is for the student to acquire the ability to identify scientific and practical problems and the ability to solve them by means of appropriate interpretation of existing legal regulations. Conducting classes in the seminar formula will enable the student to at the same time enable the student to acquire preliminary knowledge and skills in formulating research problems and conducting literature and case-law queries.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[CCJL3_KR04] is ready to undertake professional challenges, undertakes effort and is characterized by perseverance in the implementation of individual as well as team activities in the field of criminology and related sciences	Is ready to take up professional challenges, undertakes effort and is characterised by perseverance in the implementation of individual as well as team activities in the field of criminology and related sciences, taking into account the specificity of the functioning of the contemporary justice system. [SW1] oral statement/conversation/discussion [SW2] presentation/project/paper/report
Subject contents	The subject of the seminar meetings will be the most up-to-date problems of the justice system, in particular new threats in the area of crime, changes in national and European law, new trends in the jurisprudence of national courts, the European Court of Human Rights, the European Court of Justice and the International Criminal Court. The detailed content of the programme will also depend on the specialisation of the visiting professors who will lead part of the seminar sessions. The seminar sessions will also introduce students to the basic principles of formulating research problems and conducting literature and case law searches.		
Prerequisites and co-requisites			
Assessment methods and criteria	Subject passing criteria	Passing threshold	Percentage of the final grade
	Paper (projekt)	51.0%	100.0%
Recommended reading	Basic literature	Literature recommended by the seminar instructor, taking into account the topics covered during the year.	
	Supplementary literature	Literature recommended at the seminar.	
	eResources addresses	Adresy na platformie eNauczanie:	

Example issues/ example questions/ tasks being completed	Discuss the relevance of the ECHR and ECtHR to the functioning of modern criminal justice?
Work placement	Not applicable
