Subject objectives	The aim of the course is to familiarize students with the most important events in German literature and history from the beginning of the 20th century to 1948, taking into account the social and cultural context. Students should learn about the problems of literary works and the most important historical events. In addition, the teaching of history and history of literature should serve to better understand the culture of the German-speaking area and deepen the students' linguistic competence.
