Learning outcomes	Course outcome	Subject outcome	Method of verification
	[FROSL3_U07] The graduate is able to use the Russian language at the B2 level of the Common European Framework of Reference for Languages (CEFR).	The student conducts conversations and reports on everyday life events concerning sports, services, animals and plants, disasters and nature conservation using correct grammatical forms and stylistic devices. The student presents and justifies his/her opinions in natural communication situations. The student understands details contained in recordings and statements at a standard pace. The student analyzes complex narrative and informational texts, determines the author's intention and summarizes the content, translates texts. The student recognizes and interprets more difficult grammatical and lexical structures. The student creates longer forms of written statements while maintaining the principles of coherence and correctness. The student uses varied vocabulary and grammatical forms appropriate to the communication situation.	[SU1] oral statement/conversation/discussion [SU2] presentation/project/paper/report [SU3] text preparation/written work [SU4] test/exam - oral or written
	[FROSL3_U09] The graduate is able to participate in a debate in Russian, Polish, and a second foreign language, presenting and evaluating various opinions and viewpoints, as well as discussing them.	The student speaks in Russian, using the knowledge he or she has acquired and drawing on various sources when preparing longer statements.	[SU1] oral statement/conversation/discussion
	[FROSL3_U06] The graduate is able to present the results of their work in Polish and Russian in a clear, systematic, and well-thought-out manner, using various modern methods and techniques.	The student presents works in Russian in oral and written form. Appropriately selects methods and techniques for presenting their skills to the areas. Can effectively use multimedia, visual and digital methods and techniques for this purpose, such as presentations and videos.	[SU1] oral statement/conversation/discussion [SU2] presentation/project/paper/report [SU3] text preparation/written work [SU4] test/exam - oral or written
	[FROSL3_U10] The graduate is able to plan individual and/or team work, taking on various roles within the group.	The student has the ability to organize individual and group work. A group member is able to accurately assess their skills and competencies in order to independently choose a role to play and propose their contribution to the implementation of the task.	[SU8] observation of student's independent or team work
	[FROSL3_K01] The graduate is prepared to critically evaluate their own knowledge and the content they encounter, particularly in relation to issues concerning the Russian language and Russian literature.	The student is able to analyse and reflect on both his/her knowledge and the content he/she comes into contact with, especially in the area of the Russian language.	[SK1] oral statement/conversation/discussion [SK8] observation of student's independent or team work
