Is ready to critically evaluate his/her knowledge and skills in the context of the daily activities of arts institutions; understands the need for continuous learning and professional development in managerial and/or artistic activities.	[SK3] text preparation/written work [SK6] demonstration of practical skills [SK7] entries and opinions in the internship diary

Subject contents	<p>Students of the stage-management specialty carry out the following types of internships:</p> <p>a. Administrative internships (impresariat, promotion, education, coordination of artistic events, etc.) 340h are carried out in substantive departments of artistic and cultural institutions and non-governmental organizations operating in the broadly understood field of art and culture. Administrative internships must be carried out in a minimum of 3 art institutions/organizations/centers.</p> <p>b. Festival internships (related to one or more art or cultural festivals) include 150h and may include the festival preparation stage, organizational assistance during the festival, and festival summary work, after the festival has ended. Festival internships must be carried out in a minimum of 2 art institutions/organizations/centers.</p> <p>c. Internship through participation (art and culture audience internship) of 150h consists of participation in live and online cultural events, confirmed by an admission ticket or a review of the event (250-350 words) and preparation of at least one case study of online activities undertaken by art institutions selected in consultation with the internship manager (800-1100 words). The online activities of the selected institution should be monitored for a period of 3 months, which is equivalent to 45 hours of internship.</p> <p>d. Project-oriented internships of 80h to be carried out according to the interests of the student(s) within the framework of artistic activities.</p>
