Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	30		0.0		20.0	50
Subject objectives	The basic aim of the course is to familiarize students with the functioning of state bodies in the Republic of Poland - their position and competences, as well as to analyze the relations between these state bodies.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[ADMINL3_KO02] The student is aware of the necessity to take actions that protect the public interest, social interest, and legitimate individual interests of individuals.	The student is aware of the importance of constitutional principles in protecting the public interest and individual rights and can identify situations where balancing these values requires particular responsibility from state authorities.	[SK1] oral statement/conversation/discussion
	[ADMINL3_UU07] The student is able to assess the level of his knowledge and skills, and understands the need for continuous learning.	The student is able to critically assess their own knowledge of the constitutional system of the state and recognizes the need for continuous learning in response to legal and institutional developments.	[SU8] observation of student's independent or team work
	[ADMINL3_UK03] The student is able to communicate on issues related to legal and organizational problems in professional work and is capable of conveying clear messages to both specialists and non-specialists in administration.	The student is able to clearly and coherently explain issues related to the organization and functioning of constitutional bodies, formulating messages understandable both to professionals and to those outside the legal or administrative field.	[SU4] test/exam - oral or written
	[ADMINL3_WG02] At an advanced level, the student is able to characterize the system of public authority (national, local, and EU-level), the structure of administration, the process of appointing bodies, their competencies, and the domains in which they operate, as well as the legal and organizational conditions for the functioning of administration.	The student provides a detailed characterization of the system of public authorities in the Republic of Poland, understands their structure, appointment procedures, scope of competences, and mutual relations, as well as the institutional links between national, local, and European administrative structures.	[SW4] test/exam - oral or written
