| Subject objectives                          | The course aims to introduce the Integrated Development Policy and in particular the sources and methods of its financing. The aim of the course is to familiarise the student with the principles relating to Integrated Development Policy. The aim is to show the student how the EU's integrated development policy is present in many areas of our lives. |                                                          |                                         |                                     |                                                |            |     |
