Learning outcomes	Course outcome	Subject outcome	Method of verification
	[ADMINL3_WK04] The student knows and understands the current dilemmas regarding the functioning of institutions of substantive and procedural law in the sphere of the state and administration. Additionally, he identifies key phenomena occurring in the market economy and economics, including knowledge and understanding of the basic principles of public finance, EU structural funds, the public procurement system, and the operation of various forms of entrepreneurship.	He possesses knowledge of the basic principles of corporate governance and the possibilities of using them to fulfill public functions. He understands the legal forms under which companies operate and the legal challenges associated with ensuring their efficient operation.	[SW4] test/egzamin - ustny lub pisemny
	[ADMINL3_KK01] The student is aware of the role of knowledge in problem-solving, is prepared to critically evaluate positions regarding the functioning of administration and the content of legal norms, and to rely on expert knowledge – including the views of legal doctrine and jurisprudence – in situations that exceed the scope of independent problem-solving.	He is aware of the challenges associated with ensuring the proper functioning of municipal companies, including their effective management in the interests of local communities. He has an understanding of the role of corporate governance principles and the transparency of personnel and business decisions affecting municipal companies.	[SK4] test/egzamin - ustny lub pisemny
	[ADMINL3_UW01] Using his own knowledge and sources of information, including the ability to use modern digital techniques and professional methods of acquiring information, the student is able to analyze and resolve problems, as well as interpret legal, social, and political phenomena within the scope of administration and selected areas of social and economic life.	Can identify municipal companies carrying out public tasks of local government units in the area, as well as the potential consequences of their ineffective management for local communities.	[SU4] test/egzamin - ustny lub pisemny
	[ADMINL3_WG03] At an advanced level, the student identifies and understands the legal and administrative conditions of various forms of social and economic life, including the rights and obligations of individuals towards other individuals and state authorities.	Knows the role of local government in the implementation of public tasks and the justification for implementing them through capital companies.	[SW4] test/egzamin - ustny lub pisemny
