Subject objectives	The aim of this course is to provide participants with practical preparation for identifying and analyzing situations in which public administration bodies may incur liability for damages. The workshop exercises are designed to develop the ability to apply legal regulations to specific cases, formulate claims, and assess the legitimacy of administrative liability. Participants will work with examples, case studies, and official documents to learn how to identify administrative errors and understand their legal consequences.						
Learning outcomes	Course outcome		Subject outcome		Method of verification
