	Number of study hours	30		0.0		20.0	50
Subject objectives	The aim of the course is to introduce students to racket sports (badminton, tennis and table tennis). The theoretical basis of the disciplines will be discussed along with the historical background and social conditions, which can be used in various areas of sports clubs, sports academies and other sports-related business activities. Practical exercises aim to familiarise students with the technical elements in badminton, tennis and table tennis, thus increasing their self-awareness in the area of physical culture and taking care of a balanced psycho-physical development.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[ZSSML3_K07] The student is aware of the need to adapt his behavior and conduct to their role in the team.	Student has a sense of responsibility for their own and others' health and safety.	[SK8] observation of student's independent or team work
