	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	28		2.0		70.0	100
Subject objectives	The aim of the course is to improve practical English language skills, taking C1 according to CEFR as the starting point and consolidating it. The language training, general and academic, will include one language skill: academic writing, regarding the ability to produce one's own written texts, improving vocabulary and expanding syntactic resources and consolidating grammatical correctness. These competences will also be developed through work and discussion in small groups as well as in a general forum.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[FAL3_U11] Interacts with others, plans and organizes individual and team work.	Can cooperate with others and plan and organize individual and team work to produce academic texts at the C1 level.	[SU1] oral statement/conversation/discussion [SU3] text preparation/written work
