	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	90		6.0		104.0	200
Subject objectives	The primary goal of the course is to develop all language skills (understanding of written and spoken text, writing, speaking, knowledge of the sociocultural realities of the French-speaking area), so that by the end of the sixth semester of study the student speaks the language at a minimum B2 level. An additional goal of the classes is to help students get rid of language barriers, practice speaking in public and working in a group, train mutual communication and organization of their oral or written expression, enrich students' vocabulary.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[FRL3_K02] Able to interact and work in a group, assuming various roles in it, shows motivation for an engaged social life, is characterised by pro-social attitudes and sense of responsibility.	The student is able to interact and work in a group.	[SK8] observation of student's independent or team work
	[FRL3_U13] Has command of the French language in accordance with the requirements specified for level B2 of the Common European Framework of Reference for Languages.	The student is fully communicative, able to communicate fluently and spontaneously enough in French to carry on a conversation freely with a native speaker.	[SU1] oral statement/conversation/discussion [SU2] presentation/project/paper/report [SU3] text preparation/written work [SU4] test/exam - oral or written [SU5] implementation of a problem task [SU6] demonstration of practical skills [SU8] observation of student's independent or team work
	[FRL3_U12] Has the ability to prepare oral presentations in French on specific issues (in the humanities, social sciences, economy, law, and diplomacy) using theoretical concepts, as well as various sources.	The student understands longer speeches and lectures and is able to follow even complex arguments; he actively participates in discussions on the topics covered in class, presenting his opinion and defending his views.	[SU1] oral statement/conversation/discussion [SU4] test/exam - oral or written [SU5] implementation of a problem task [SU6] demonstration of practical skills [SU8] observation of student's independent or team work
	[FRL3_U10] Is able to use specialised language and communicate accurately and coherently in French with specialists in the humanities, social and economic sciences using various communication channels and techniques, is able to interact with others in teamwork, including interdisciplinary work.	The student understands specialized articles in preparation for editing an undergraduate thesis; is able to present the topic of his work to others, accurately describe the plan for an undergraduate thesis.	[SU1] oral statement/conversation/discussion [SU2] presentation/project/paper/report [SU3] text preparation/written work [SU5] implementation of a problem task [SU6] demonstration of practical skills
	[FRL3_U11] Has the ability to create typical written works in French on specific issues, using theoretical concepts, as well as various sources.	The student understands articles and studies related to contemporary issues, in which the authors take certain positions and express certain views; writes dissertations or studies, using a systematically developed argument, emphasizing important issues and giving relevant examples.	[SU2] presentation/project/paper/report [SU3] text preparation/written work [SU4] test/exam - oral or written [SU5] implementation of a problem task [SU6] demonstration of practical skills [SU8] observation of student's independent or team work
	[FRL3_W03] Knows advanced linguistic terminology in French.	The student knows the different types of French dissertation plan and the principles of effective argumentation.	[SW4] test/exam - oral or written [SW3] text preparation/written work
	[FRL3_W12] Realizes the diversity of information sources, the complexity of the nature of language, and the historical variability of meanings in French and other Romance languages.	Using the vocabulary of art (painting, photography, sculpture, cinema), eating habits and gastronomy, politics and economics, progress and robotics, the student understands the complexity of language.	[SW4] test/exam - oral or written [SW1] oral statement/conversation/discussion [SW2] presentation/project/paper/report [SW3] text preparation/written work
	[FRL3_U16] He/she is able to express himself/herself precisely and coherently in French and communicatively in another Romance language in writing and in speech on a topic concerning selected philological and cultural issues.	The student speaks orally and in writing on topics related to the program (e.g., art, eating habits and gastronomy, progress and robotics, etc.)	[SU1] oral statement/conversation/discussion [SU2] presentation/project/paper/report [SU3] text preparation/written work [SU4] test/exam - oral or written [SU6] demonstration of practical skills [SU8] observation of student's independent or team work
	[FRL3_W13] Has advanced knowledge of cultural institutions and orientation in contemporary literary and cultural life in French-speaking countries, knows the economic, legal and diplomatic realities of France and French-speaking countries, knows the basic principles of the creation and development of various forms of entrepreneurship.	The student is familiar with the various political parties of France, the main features of the French economy, France's position in the European Union.	[SW4] test/exam - oral or written

	Course outcome	Subject outcome	Method of verification
	[FRL3_K01] He understands the need for continuous professional training and personal development, is aware of his knowledge and workshop skills, sets the direction of his development.	The student tries to improve his level of French, analyzes his mistakes, makes progress.	[SK1] oral statement/conversation/discussion [SK2] presentation/project/paper/report [SK3] text preparation/written work [SK4] test/exam - oral or written [SK5] implementation of a problem task [SK6] demonstration of practical skills [SK8] observation of student's independent or team work
	[FRL3_K06] He participates in culture in the broadest sense using various media and understands the need to encourage others to interact with cultural, economic and social life, thinks and acts in an entrepreneurial manner, critically evaluates his knowledge.	The student participates as a volunteer in various events; is interested in French cinema, literature, art; is open to all sociocultural aspects of French-speaking countries.	[SK6] demonstration of practical skills [SK8] observation of student's independent or team work
	[FRL3_W10] Knows and understands the basic concepts and principles of copyright protection.	The student knows and understands the basic concepts and principles of copyright protection.	[SW2] presentation/project/paper/report [SW5] implementation of a problem task
	[FRL3_U14] Is able to use available multimedia devices and modern technology to obtain information, self-educate or establish contact with specialists in the field, is able to reliably describe documents from electronic sources, is able to plan and organize individual and team work.	Students are able to use available multimedia devices and modern technology as part of their language development.	[SU6] demonstration of practical skills [SU8] observation of student's independent or team work
Subject contents	The program and method of teaching are the same as in PNJFR V. Only the topics of documents (recordings, articles, excerpts from literary works) on which students will work differ. Listening comprehension and conversation: understanding longer speeches and lectures keeping up with even complex arguments, formulating extended statements on various topics, giving arguments for and against, actively participating in discussions on known topics, presenting their opinions and defending their views. Topics : e.g. art (painting, photography, sculpture, cinema), eating habits and gastronomy, progress and robotics. Writing and reading comprehension: understanding articles and papers related to contemporary issues in which the authors take certain positions and express certain views, understanding specialized articles in preparation for editing an undergraduate thesis, writing dissertations or papers, using systematically developed argumentation, emphasizing important issues and giving relevant examples. Competencies related to writing and reading comprehension are developed in parallel. Students read and analyze newspaper, specialized and/or literary articles in class and/or at home. Grouped into thematic blocks, the texts are suggested by the students themselves and the instructor. Work on the texts includes vocabulary, formal analysis, discussion, etc. Students write dissertation and thesis plans in class and/or at home. Students practice the use of "connecteurs logiques" etc.		
Prerequisites and co-requisites	The condition for participation in classes is obtaining credit of French Language V. Knowledge of French at the minimum B1 + level of the Common European Framework of Reference for Languages.		
Assessment methods and criteria	Subject passing criteria	Passing threshold	Percentage of the final grade
	oral and written exam	51.0%	50.0%
	Attendance, active participation in exercises, systematic preparation in oral and/or written form of issues and written and/or oral tests and colloquia on the topics in force during the semester	51.0%	50.0%
