Subject objectives	The aim of the internship is to prepare the student to enter the labor market, learn about the conditions of potential future professional work and gain experience. Professional internships serve to learn about the work and problems of cultural institutions and for students to acquire professional and social skills and competences. Professional internships are aimed at practical use of knowledge acquired during studies and at acquiring teamwork skills, in particular: communication, problem solving, and performance of assigned tasks and responsibilities.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
