|                                 | [LSL3_U05] Able to correctly use the concepts of linguistics and literary studies.                                                                                                                                                                                                               | The student is able to appropriately select research methods and tools to solve unusual, complex linguistic problems that may arise in the process of teaching Polish as a foreign language to students with different language experience and native languages.                                                                                                    | [SU2] presentation/project/paper/report      |
|                                 | [LSL3_K05] He understands the need to participate in cultural and cultural life and encourage others to interact with foreign languages and culture, as well as think and act in an entrepreneurial manner, care for the achievements and traditions of the profession.                          | The student is aware of the culture-forming function of language and prepares exercises so that knowledge of the language will enable learners to participate in the Polish culture.                                                                                                                                                                                | [SK1] oral statement/conversation/discussion |
|                                 | [LSL3_W02] He has advanced knowledge of the place and importance of linguistics in the system of sciences, as well as their subject and methodological specificities.                                                                                                                            | The student is able to critically refer to the assimilated content, noting the usefulness of individual issues in solving specific problems in the field of grammar of Polish that may arise in the process of teaching this language as a foreign language.                                                                                                        | [SW2] presentation/project/paper/report      |
|                                 | [LSL3_W10] He knows and understands the methods of linguistic analysis.                                                                                                                                                                                                                          | The student knows and understands the methods of linguistic analysis used in pedagogical (functional) grammar.                                                                                                                                                                                                                                                      | [SW2] presentation/project/paper/report      |
| Subject contents                | <p>Adapted for pedagogical purposes, a selection of rules and issues in linguistic grammar in terms of each subsystem of the Polish language.</p> <p>Rules formulated in textbooks (and other materials, including those available online) for teaching Polish as a foreign/second language.</p> |                                                                                                                                                                                                                                                                                                                                                                     |                                              |
