Subject contents	All language skills are taught in a continuous and integrated manner: receptive (listening and reading comprehension), productive (writing and speaking), vocabulary is expanded and phonetic articulation is developed. In each higher semester of study, listening texts and reading texts contain richer subject matter and a higher degree of variety in lexical and grammatical structures. Semester 4: Role models , ideals, values (biographies of outstanding personalities etc.). Ethical problems (lying, limits of freedom, etc.). Sentence transformations (nominalisation, verbalisation). The subject leader selects the specific content in the given subject area.
