

Subject card

Subject name and code	Sociology, PG_00149499						
Field of study	Applied Linguistics						
Date of commencement of studies	October 2025		Academic year of realisation of subject		2026/2027		
Education level	Master's studies		Subject group		Obligatory subject group in the field of study Humanistic-social subject group Subject group related to scientific research in the field of study		
Mode of study	full-time studies		Mode of delivery		at the university		
Year of study	2		Language of instruction		Polish Angielski, Nlemiecki, Polski		
Semester of study	4		ECTS credits		4.0		
Learning profile	academic		Assessment form		exam		
Conducting unit	Institute of Applied Linguistics -> Faculty of Languages -> Rector						
Name and surname of lecturer (lecturers)	Subject supervisor		dr Andrzej Łęcki				
	Teachers						
Lesson types	Lesson type	Lecture	Tutorial	Laboratory	Project	Seminar	SUM
	Number of study hours	30.0	0.0	0.0	0.0	0.0	30
	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	30		2.0		68.0	100
Subject objectives	The objective of the course is to introduce students to topics and research concerning the relationship between linguistics and sociology. The focus is on exploring the connections between social phenomena, language, and discourse. The course provides an opportunity to become familiar with interdisciplinary research areas and methods.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[LSMU2_U08] He has language skills at the level of C2 for English and C1 for German according to the Common European Framework of Reference for Languages in everyday life and in professional situations.	The student has language skills at level C2 for English and C1 for German according to the Common European Framework of Reference for Languages in everyday life and in professional situations.	[SU2] presentation/project/paper/report [SU4] test/exam - oral or written [SU5] implementation of a problem task
	[LSMU2_W03] He has an in-depth knowledge of the interrelationship of linguistics with other disciplines, such as psychology and sociology.	The student has in-depth knowledge of the connections between linguistics and other disciplines, such as psychology and sociology.	[SW4] test/exam - oral or written [SW2] presentation/project/paper/report [SW5] implementation of a problem task
	[LSMU2_K04] He demonstrates a critical attitude towards the knowledge he acquires and can appreciate its importance in solving problems in translation and linguistic communication (scientific and everyday).	The student demonstrates a critical attitude towards acquired knowledge and is able to appreciate its importance in solving problems in the field of translation and linguistic communication (scientific and everyday).	[SK2] presentation/project/paper/report [SK4] test/exam - oral or written [SK5] implementation of a problem task
	[LSMU2_K03] Recognizes the need to adhere to ethical standards related to his profession.	The student recognizes the need to comply with ethical standards related to the profession he or she performs.	[SK2] presentation/project/paper/report [SK4] test/exam - oral or written [SK5] implementation of a problem task
	[LSMU2_W04] Has detailed knowledge of contemporary achievements and research conducted in linguistics.	The student has detailed knowledge of contemporary achievements and research conducted in linguistics.	[SW4] test/exam - oral or written [SW2] presentation/project/paper/report [SW5] implementation of a problem task
	[LSMU2_W01] He knows linguistic terminology at an extended level in German and English.	The student has an advanced knowledge of linguistic terminology in German and English.	[SW4] test/exam - oral or written [SW2] presentation/project/paper/report [SW5] implementation of a problem task
	[LSMU2_W02] Has a structured, in-depth knowledge that includes terminology, theory and methodology in linguistics.	The student possesses structured, in-depth knowledge of terminology, theory and methodology in the field of linguistics.	[SW4] test/exam - oral or written [SW2] presentation/project/paper/report [SW5] implementation of a problem task
	[LSMU2_U04] Able to critically analyze various types of written and oral expression taking into account the latest developments in linguistics.	The student can critically analyse various types of written and oral expression, taking into account the latest achievements in linguistics.	[SU2] presentation/project/paper/report [SU4] test/exam - oral or written [SU5] implementation of a problem task
