Education of the ability to construct therapeutic units for foreign speakers using cultural texts.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[LOGJ5_W18] He knows and understands to a deeper degree the rules of linguistic communication and the principles of language culture both in speech and writing.	Is familiar with the most important texts on culture and communication, through which he/she can draw independent conclusions on the links between linguistics and other fields of study and draw on the resources of these sciences to maximise the effectiveness of the teaching process.	[SW1] oral statement/conversation/discussion
	[LOGJ5_K07] He is aware of the responsibility for preserving the heritage of the Polish language and taking care of its correctness. Actively participates in activities to preserve the cultural heritage (especially linguistic) of the region, country, Europe.	Responsibly preserves the cultural heritage of the region and the country, undertakes activities to popularize knowledge about Polish culture.	[SK1] oral statement/conversation/discussion [SK3] text preparation/written work
	[LOGJ5_U09] He is able to communicate, applying the principles of language culture and using linguistic, speech therapy and medical terminology with the use of various communication channels and techniques, with specialists of other scientific disciplines and non-specialists in Polish and a foreign language, to the extent necessary in teaching and speech therapy activities.	He/she is able to comprehensively manipulate knowledge when performing tasks: he/she is able to diagnose his/her state of knowledge and skills and is able to communicate efficiently with specialists in the field of glottodidactics using various communication techniques (written and spoken).	[SU1] oral statement/conversation/discussion [SU3] text preparation/written work
	[LOGJ5_U22] Able to communicate knowledge of culture, language, national and regional history and cultural heritage of Europe.	Has the ability to analyse and interpret various phenomena occurring in a particular type of communication act, which is the didactic process.	[SU1] oral statement/conversation/discussion
	[LOGJ5_W31] He is familiar with methods of analyzing and interpreting texts and cultural products, within selected theories and research schools.	He knows the most important cultural texts used to construct classes on teaching Polish as a foreign language.	[SW1] oral statement/conversation/discussion
	[LOGJ5_U21] Undertakes work with learners of Polish as a foreign language, awakens their interests, appropriately selects the content of teaching, tasks and forms of self-study work.	Works with learners of Polish language and Polish culture, properly selects teaching content and teaching methods.	[SU1] oral statement/conversation/discussion
	[LOGJ5_W19] He knows and understands the issues of intercultural and intercultural communication.	Knows various conditions affecting the process of communication (with special attention to the specificity of communication between representatives of different cultures – both children and adults).	[SW1] oral statement/conversation/discussion [SW3] text preparation/written work
	[LOGJ5_K10] He is ready to communicate with people from different backgrounds and cultures, including those for whom Polish is a foreign language.	Takes active measures for the benefit of the local and wider social environment, promoting equality, selflessness and helping people in need regardless of ethnic, cultural, religious, etc.	[SK1] oral statement/conversation/discussion
