	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	30		10.0		185.0	225
Subject objectives	Familiarization with the specific characteristics of the discipline covered by the seminar and acquisition of in-depth knowledge related to the topic of the diploma thesis. Introduction to the fundamentals of methodology and research tools appropriate to the scope of the discipline in question. Development of skills necessary for preparing extended written work, including collecting and selecting materials, organizing the subject matter, and editing the text. Enhancement of abilities in publicly presenting one's own theses and engaging in discussion. Development of teamwork skills.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[SINL3_W08] Knows and understands the basic concepts and principles of intellectual property protection and copyright law.	Knows the rules for preparing academic papers, including footnotes, bibliographies, and lists.	[SW3] text preparation/written work
	[SINL3_U01] Is able to appropriately select sources, evaluate, critically analyze, and synthesize information in order to formulate and solve complex and uncommon problems related to issues concerning China and the Sinic cultural sphere.	Prepares an abstract with a list of publications. Conducts source research.	[SU1] oral statement/conversation/discussion [SU2] presentation/project/paper/report [SU3] text preparation/written work [SU5] implementation of a problem task
	[SINL3_U02] Is able to select and apply appropriate methods and tools, including advanced information and communication technologies, to formulate and solve complex and uncommon problems related to issues concerning China and the Sinic cultural sphere.	Can formulate a thesis statement, define research objectives, and select appropriate research methods necessary for preparing an academic paper.	[SU1] oral statement/conversation/discussion [SU2] presentation/project/paper/report [SU3] text preparation/written work [SU5] implementation of a problem task
	[SINL3_K02] Is ready to recognize the importance of the knowledge acquired during Sinology studies in solving cognitive and practical problems, and to seek the opinions of experts with knowledge of China and the Sinic cultural sphere when facing difficulties in solving problems independently.	Respects and understands the cultural differences between Poland and China.	[SK3] text preparation/written work [SK5] implementation of a problem task
	[SINL3_K01] Is ready to critically evaluate the knowledge acquired during Sinology studies and the content corresponding to that knowledge.	Can assess the value and quality of the collected research materials as well as their own work.	[SK3] text preparation/written work [SK5] implementation of a problem task
	[SINL3_U10] Is able to independently plan and carry out lifelong learning.	Is able to prepare a thesis work plan, including a timeline for completing individual tasks.	[SU2] presentation/project/paper/report [SU5] implementation of a problem task
Subject contents	The content covered during the classes depends on the seminars topic. It primarily includes issues related to the principles of preparing thesis papers and the subject matter of individual dissertations.		
Prerequisites and co-requisites	Choice of a specific bachelor's seminar. The student has basic and well-structured knowledge related to the subject of the seminar, is familiar with the fundamentals of research methodology developed during the first and second year of studies, is capable of independent work, and can collaborate effectively in a group.		
Assessment methods and criteria	Subject passing criteria	Passing threshold	Percentage of the final grade
	Preparation of 40% of the thesis, min. one chapter.	51.0%	50.0%
	Preparation of the thesis outline with bibliography	51.0%	50.0%
Recommended reading	Basic literature	Selected by the instructors. Each time instructor chooses the subject literature according to the specific focus of the seminar.	
	Supplementary literature	Selected by the instructors. Each time instructor chooses the subject literature according to the specific focus of the seminar.
