	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	30		2.0		43.0	75
Subject objectives	To familiarize students with the interdisciplinary nature of research in the field of translation studies, with particular emphasis on the linguistic perspective. Providing students with the tools provided by cultural and cognitive linguistics for translation analysis and criticism. Understanding the difference between the concept of translation (object, text) and the translation process along with its components.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[SLAWMU2_W09] The student has a detailed knowledge of South Slavic languages, recognizes and understands the regularities that govern them and the changes that constantly shape them.	The student has structured, in-depth, detailed knowledge in the field of linguistics, leading to specialization, with particular emphasis on the area of specialized language (K_W01).	[SW4] test/exam - oral or written
	[SLAWMU2_U02] The student has in-depth research skills, including the analysis of the works of other authors, the synthesis of various ideas and views, the selection of methods and the construction of research tools, that are helpful in finding the original solutions to research problems.	The student has in-depth knowledge of the theories and findings of research schools in relation to linguistics and translation studies (K_W09).	[SU4] test/exam - oral or written
	[SLAWMU2_K07] The student appreciates the importance of philology and humanities and their role in shaping of the cultural image of Europe.	The student appreciates the importance of philology and humanities and their role in shaping the cultural image of Central and Southern Europe (K_K07).	[SK4] test/exam - oral or written
	[SLAWMU2_W01] The student knows at an advanced level the terminology of linguistics, literary studies, cultural and religious studies, and art studies - in Polish or South Slavic languages (Serbian or Croatian).	The student has in-depth research skills, including the works of various authors, the synthesis of various ideas and views, the development and presentation of results, allowing for original solutions to complex problems in the field of the topic (K_U02)	[SW4] test/exam - oral or written
	[SLAWMU2_U06] The student has the ability to formulate critical opinions about cultural products based on scientific knowledge and their experiences, and the ability to present critical studies - also in South Slavic languages - in various forms and medias.	The student has the ability to substantively argue using his own views and the views of other authors, formulate conclusions in Polish and in the language of the selected specialty and create synthetic summaries (K_U06)	[SU4] test/exam - oral or written
Subject contents	Categories of cultural linguistics in translation analysis. The specificity of the Polish school of cultural linguistics - the linguistic image of the world (JOŚ). Linguistic stereotypes in primary and secondary cultures expressed in the source and target texts. Linguistic units, translation units, meaning units. Problems of translation equivalence and adequacy. Universals and unique expressions in the areas of translatability/non-translatability of intercultural communication. Translation strategies in translating cultural problems on the example of selected literary and essay works. The role of dictionaries in the translator's work. Relations between terminology, lexicology and lexicography. The concepts of domestication and exoticization in translation - problems in translating proper names.		
Prerequisites and co-requisites	Knowledge of basic issues of translation theory, orientation in the assumptions of cultural and cognitive linguistics.		
Assessment methods and criteria	Subject passing criteria	Passing threshold	Percentage of the final grade
	oral examination	51.0%	80.0%
	attendance, active participation in classes	80.0%	20.0%
