Subject objectives	The aim of the course is to provide structured knowledge of the Swedish language, including grammar and lexical issues at A2 level. The main aim of the course in semester 5 is to continue the material covered in semester 4, including basic grammar, and to expand lexical knowledge. The course is to prepare the student to speak in a simple way on topics related to the most important needs and to communicate in typical communication situations.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[SKANL3_U02] He is able to independently plan his lifelong learning and understands the need for continuous self-improvement, with particular emphasis on knowledge of literature, culture, societies, and languages of the Nordic region.	The student are involved in group work related to learning the Swedish language both during language classes at the university and outside it.
