	Number of study hours	0.0	0.0	0.0	0.0	30.0	30
	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	30		0.0		70.0	100
Subject objectives	Developing the ability to analyze key dilemmas arising from civilizational development in the context of legal, political, and administrative sciences. Students learn to identify and formulate research problems, construct theses, and conduct independent academic inquiry. The seminar aims to prepare students for writing their thesis, incorporating an interdisciplinary perspective on contemporary challenges related to technological progress, globalization, social change, and ethical aspects of public administration.						
Learning outcomes	Course outcome		Subject outcome		Method of verification		
	ADMINL3_WK10		The student is able to identify and analyze key dilemmas of contemporary civilizational development, formulating a research problem and thesis in a way that takes into account the interdisciplinary context of legal sciences and political and administrative studies.		[SW2] presentation/project/paper/report [SW3] text preparation/written work		
Subject contents	The seminar prepares students to conduct academic research and write their thesis. Classes cover the principles of formulating a research problem, constructing a thesis, selecting sources, and applying appropriate methodology. The course is conducted in a workshop and consultation format, with an emphasis on developing skills in analysis, argumentation, and proper academic writing.						
Prerequisites and co-requisites							
Assessment methods and criteria	Subject passing criteria		Passing threshold		Percentage of the final grade		
	Student's attendance and active participation. Submission of the bachelor's thesis and its approval by the supervisor.		51.0%		100.0%		
Recommended reading	Basic literature		Literature recommended by the seminar instructor, related to the topic of the thesis.				
	Supplementary literature		Supplementary literature recommended by the seminar instructor, related to the topic of the thesis.				
	eResources addresses
