Subject objectives

Within the framework of this option, the student has a choice of one of the two included subject blocks. The aim of the course is to enable students to develop a knowledge of printmaking and drawing, primarily of the European circle. The course blocks devoted to paper techniques aim to present basic printmaking and drawing techniques from the Middle Ages to the present day. The classes include visits to the Drawing Room and Printmaking Studio of the MNGd and the Gdansk City Gallery enabling direct contact with works on paper.
