| <b>Subject objectives</b>                          | The aim of the course is to familiarise the student with issues concerning the auxiliary sciences of history (genealogy, prosopography, heraldry, phaleristics, numismatics, vexillology, palaeography, neography, history of writing, numismatics, etc.). |   |                                    |  |  |                   |            |

|  |   |  |                                   |
|--|---|--|-----------------------------------|
| Learning outcomes  | Course outcome  | Subject outcome  | Method of verification            |
|  | [HISTL3_U01] Istudent is able to use his/her knowledge: to formulate and, through the appropriate selection of information sources, critically analyse and synthesise them in order to solve complex and unusual problems in the field of history | the student is able to use his/her knowledge: to formulate and, by means of an appropriate choice of information sources, to analyse and synthesise them critically, to solve complex and untypical problems in the field of history, with particular emphasis on the auxiliary sciences of history                                      | [SU4] test/exam - oral or written |
|  | [HISTL3_W04] Student is familiar with various fields of historical research, such as political history, social history, economic history, cultural history, family history, gender history,   | the student is familiar with the various fields of historical research, such as political history, social history, economic history, cultural history, family history, gender history, etc., therefore partial knowledge can be acquired by applying the apparatus of the individual auxiliary sciences of history                       | [SW4] test/exam - oral or written |
|  | [HISTL3_K01] Critically evaluates his/her knowledge, demonstrates a willingness to continually expand his/her knowledge and to seek expert advice if he/she has difficulty solving a problem on his/her own                                       | the student critically evaluates his/her knowledge, demonstrates readiness to continually expand it and to seek expert advice when encountering difficulties in solving a problem independently, with particular reference to the auxiliary sciences of history  | [SK4] test/exam - oral or written |
|  | [HISTL3_U03] Is able to communicate with the public using specialist terminology specific to historical and related sciences  | knows the terms related to the auxiliary sciences of history   | [SU4] test/exam - oral or written |
| [HISTL3_W07] Demonstrates knowledge of comparative European history and understands the links between the history of European integration and current social, economic and political issues<br>Knows and understands to an advanced degree the main theories, research methods and tools of the historian's workshop | the student knows and understands to an advanced degree the main theories, research methods and tools of the historian's craft, with particular emphasis on those in the auxiliary sciences of history  | [SW4] test/exam - oral or written  |                                   |
| Subject contents   | Lecture on the aforementioned auxiliary sciences of history   |  |                                   |
