

Subject card

Subject name and code	From bibliography to the modern form of the book, PG_00168102						
Field of study	History						
Date of commencement of studies	October 2026		Academic year of realisation of subject			2026/2027	
Education level	Master's studies		Subject group			Obligatory subject group in the field of study Subject group related to scientific research in the field of study	
Mode of study	full-time studies		Mode of delivery			at the university	
Year of study	1		Language of instruction			Polish	
Semester of study	2		ECTS credits			2.0	
Learning profile	academic		Assessment form			credit	
Conducting unit	Institute of History -> Faculty of History -> Rector						
Name and surname of lecturer (lecturers)	Subject supervisor		dr Julia Możdżeń				
	Teachers						
Lesson types	Lesson type	Lecture	Tutorial	Laboratory	Project	Seminar	SUM
	Number of study hours	0.0	30.0	0.0	0.0	0.0	30
	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	30		2.0		20.0	52
Subject objectives	Implementing knowledge of the history of the book/scientific book (from codex form to "electronic" publishing). To develop skills in the use of advanced DTP (Desktop Publishing) typesetting editors. Implementation of the principles of "Polish publishing and editing standards" in dtp editors. Developing the ability to independently prepare for printing a book (or electronic publication) scientific						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[HISTMU2_U03] Correctly applies a variety of forms of historical writing, with particular emphasis on the ability to prepare academic texts correctly for publication, in accordance with the canons of criticism accepted in the chosen field of historical science	Correctly applies various forms of historical writing with particular emphasis on the ability to correctly prepare texts for publication in accordance with the canons of criticism accepted in the chosen field of historical science. He is also able to classify, in accordance with the era and application, the types of printing writings	[SU1] oral statement/conversation/discussion
	[HISTMU2_U01] the student has in-depth research skills in the field of historical sciences, enabling them to independently and critically solve complex and unusual research problems	Has in-depth research skills in the historical sciences to formulate and innovatively solve complex and unusual problems with an emphasis on solving problems with the publication of scientific texts	[SU1] oral statement/conversation/discussion
	[HISTMU2_K01] Is ready to critically evaluate the knowledge he possesses and the content he receives	He is ready to critically evaluate the knowledge he possesses and the content he receives, emphasizing awareness of the ways in which scientific texts are edited and published, especially historical ones	[SK6] demonstration of practical skills
	[HISTMU2_W03] Knows in depth the terminology, theories, methodology and descriptive tools of the historical sciences and related sciences	He knows to an in-depth degree the terminology, theories, methodology and tools of description in the field of historical and related sciences with particular emphasis on the editorial presentation of the achievements of historical science has over the centuries.	[SW1] oral statement/conversation/discussion
	[HISTMU2_W01] Has an in-depth, extended and structured knowledge of history leading to specialisation in selected areas of historical research	Possesses in-depth, expanded and organized knowledge of history leading to specialization in selected areas of historical research and is able to apply it to the classification of editing and publication of a scientific text	[SW1] oral statement/conversation/discussion
	[HISTMU2_W02] Has in-depth knowledge of the methods and problems of research in selected fields of history, such as political history, social history, economic history, cultural history, regional history, family history, gender history, etc.	He has an in-depth knowledge of the methods and problems of research in selected fields of history, such as political history, social history, economic history, cultural history, regional history, family history, gender history, etc. In addition, he understands and explains the economic and legal importance of correct preparation of a scientific work for printing, in accordance with Polish editorial and printing rules. Explains the importance of correct preparation of a scientific work for printing for the dissemination of historical research and knowledge.
