Subject objectives	The aim of the course is to familiarize students with the principles of functioning of political parties in various modern political systems, as well as their structure, mechanisms of operation and the roles they play in selected European and non-European countries. This is the knowledge necessary to obtain appropriate qualifications to teach the subject of Social Studies at school. After completing the course, the student will know the practice and will be able to plan the process of establishing a political party.						
Learning outcomes	Course outcome		Subject outcome		Method of verification
