Learning outcomes	Course outcome	Subject outcome	Method of verification
	[WOFKAL3_U11] He/she is able to develop and present the results of individual or group research in accordance with the principles applicable in art and culture studies.	Is able to ethically compile the results of individual or group research and present them in relation to issues of cyberculture and computer games.	[SU3] text preparation/written work [SU5] implementation of a problem task
	[WOFKAL3_U06] He/she can search, analyze, critically evaluate and select information using spoken and written sources.	Can search for, analyse, critically evaluate and select information concerning cyberculture and video games, using spoken and written sources.	[SU1] oral statement/conversation/discussion [SU5] implementation of a problem task
	[WOFKAL3_U02] He/she is able to independently acquire knowledge and develop their skills in the area of film studies and audiovisual culture, including practical activities.	Able to independently acquire knowledge and develop their skills in the field of cyberculture and gaming, including practical activities.	[SU3] text preparation/written work [SU5] implementation of a problem task
	[WOFKAL3_U05] Developing his/her professional skills, he/she uses modern information technologies, multimedia and the Internet.	She is developing her skills in researching cyberculture and gaming, using modern information technology, multimedia and the Internet.	[SU1] oral statement/conversation/discussion [SU3] text preparation/written work [SU5] implementation of a problem task
	[WOFKAL3_W01] He/she has a structured general knowledge of art and cultural sciences, oriented towards practical applications in cultural and artistic activities.	Has a structured general knowledge of cyberculture and video games, oriented towards practical applications in cultural and artistic activities.	[SW3] text preparation/written work [SW5] implementation of a problem task
	[WOFKAL3_U16] He/she has the ability to substantively justify their interpretative theses and formulate conclusions using the views of other authors.	Has the ability to substantively justify their own interpretations of video games and formulate conclusions after reading other authors' research.	[SU3] text preparation/written work
	[WOFKAL3_K02] He is open to new ideas and ready to reformulate his position.	Is open to new ideas and ready to reformulate his position on cyberculture and gaming.	[SK1] oral statement/conversation/discussion [SK3] text preparation/written work [SK5] implementation of a problem task
	[WOFKAL3_U18] He/she can communicate with film specialists using specialist Polish and foreign terminology.	Can communicate with specialists in the field of roaming studies using specialist Polish and foreign terminology.	[SU1] oral statement/conversation/discussion [SU3] text preparation/written work
	[WOFKAL3_U19] Formulates interpretative theses and basic theoretical problems in writing, using appropriate terminology and knowledge of art sciences	Formulates interpretative theses and fundamental theoretical problems in writing, using appropriate terminology and knowledge in the field of cyberculture and gaming studies.	[SU3] text preparation/written work
	[WOFKAL3_U01] He/she can search, analyze, evaluate, select and use information using modern technologies and in accordance with the guidance of the supervisor/lecturer.	Is able to search, analyse, evaluate, select and use information on cyberculture and computer games using modern technology and according to the guidance of the tutor/lecturer.	[SU3] text preparation/written work [SU5] implementation of a problem task
	[WOFKAL3_W02] He/she has advanced knowledge of the historical and cultural context of cinema and the media and their relationship with other areas of science and areas of contemporary life.	Has advanced knowledge of the historical and cultural context of cyberculture and gaming.	[SW3] text preparation/written work [SW5] implementation of a problem task
	[WOFKAL3_W05] He/she knows professional terminology in the area of art sciences and cultural sciences, with particular emphasis on film studies and audiovisual culture.	Familiar with professional terminology in the arts and cultural sciences, with particular reference to cyberculture and computer games.	[SW1] oral statement/conversation/discussion [SW3] text preparation/written work [SW5] implementation of a problem task
	[WOFKAL3_W06] He/she has advanced knowledge of the structure and functions of media and film institutions.	Has advanced knowledge of the structure and functions of media institutions involved in game production.	[SW3] text preparation/written work [SW5] implementation of a problem task
	[WOFKAL3_W14] He/she has systematic knowledge of methods of diagnosing needs and assessing the quality of services provided by film and media institutions.	Ma uporządkowaną wiedzę o metodach diagnozowania potrzeb i oceny jakości usług instytucji medialnych zajmujących się produkowaniem gier komputerowych.	[SW3] text preparation/written work [SW5] implementation of a problem task

	Course outcome	Subject outcome	Method of verification
	[WOFKAL3_W13] He/she has knowledge about the recipients of film culture.	Ma wiedzę o odbiorcach cyberkultury i osobach grających w gry komputerowe.	[SW1] oral statement/ conversation/discussion [SW3] text preparation/written work [SW5] implementation of a problem task
	[WOFKAL3_W03] He/she has a well-organized knowledge of the history and principles of functioning of new media and the history of cinema.	Has a structured knowledge of the history and principles of new media, with particular emphasis on cyberculture and computer games.	[SW3] text preparation/written work [SW5] implementation of a problem task
Subject contents	The origins and development of cyberculture, digital image ontology, the Turing test, changing social paradigms, cyber entertainment, the development of culture and the arts and the manifestos of free culture, the internet and copyright and the protection of intellectual property, citizenship and online journalism, the dangers of the internet, fan fiction and other types of internet creativity, the cult of the amateur, violence in computer games, film versus computer games, the memisation of visual culture, cognitivism, e-learning.		
Prerequisites and co-requisites			
Assessment methods and criteria	Subject passing criteria	Passing threshold	Percentage of the final grade
	credit paper	51.0%	50.0%
	attendance and active participation in classes	80.0%	20.0%
	systematic preparation of topics indicated by the instructor (oral and written)	51.0%	30.0%
