Subject objectives	Obtaining basic knowledge in the field of the main branches of philosophy (ontology, epistemology, ethics and philosophy of man) and the ability to apply it in reflection on culture and the contemporary world. To raise awareness of the importance of philosophical reflection as a source medium for reflection on reality and the world of culture, and as a medium of independent, critical thinking, constituting a tool for shaping creative and responsible discourse and deconstructing common beliefs and popular opinions.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
