	eResources addresses		
Example issues/ example questions/ tasks being completed	• Organize a debate on a selected business topic. Divide the students into two groups, where each group will represent the opposing side of the argument. • After the debate, write a short analysis discussing the argumentation techniques used and the effectiveness of communication between participants. • Prepare and present a 10-minute presentation of your imaginary company. Include aspects such as organizational and legal form, profile, directions and scope of activities, structure, collaborators, and place in the economic system. • After the presentation, answer questions from your classmates, simulating a real Q&A session.		
Work placement	Not applicable
